Proposal:

Erection of two storey extension and single storey extension to rear of terraced property (as amended 22.03.2018)

Declarations of Interest:

Name

Nature of Interest

Councillor Mick Henry declared a personal interest as he was speaking in objection as a neighbour and not as a member of the Planning Committee. He therefore took no part in the discussion or subsequent vote.

List of speakers and details of any additional information submitted:

Councillor Mick Henry spoke against the application.

Further representations made:

Three objections have been received since the publication of the agenda. The objections raise concerns regarding the proposed extension being out-of-character with the street, that it would cause harm to the listed building and Conservation Area and would have an impact on adjoining properties in terms of overshadowing.

The impact of the development on the listed building has been addressed in the main Committee Report for application DC/18/00069/LBC. The impact on the Conservation Area, the character and appearance of the property and the living conditions of neighbours has been addressed in the main Committee Report for application DC/18/00064/HHA.

Decision(s) and any conditions attached:

That permission be REFUSED for the following reasons:

Harm to the significance of the Grade II listed building and Coatsworth Conservation Area.

Harm to the living conditions of the occupiers of 7 Woodbine Terrace by virtue of the two storey extension being overbearing, causing a loss of light and loss of privacy and would represent overdevelopment.

Any additional comments on application/decision:

After speaking, Councillor Henry left the room and only returned after members had debated and voted on the application.

The officer recommendation had been to grant permission however the Committee determined that the scale of the development resulted in a harmful impact on the occupiers of 7 Woodbine Terrace and that there would be harm to the significance of the Grade II listed building and the Coatsworth Conservation Area. These outweighed the recommendation to grant and therefore Members refused the application.
