| That permission be REFUSED for the following reason(s) and that the Service Director of Climate Change, Compliance, Planning and Transport be authorised to add, vary and amend the refusal reasons as necessary:   |  |  |  |
| 1<br>The proposed development would result in less than substantial harm to the significance of the Low Fell Conservation Area by means of inappropriate merging and subdivision of grounds, loss of trees and inappropriate building design, which would not respond positively to local distinctiveness and character and would be contrary to national and local design and conservation guidance. This harm would not be outweighed by public benefits nor does the application demonstrate clear and convincing justification for the harm to the Conservation Area. The proposal is contrary to the aims and objectives of the National Planning Policy Framework, The National Design Guide, Local Plan policies CS15, CS18, MSGP24, MSGP25 and MSGP36, and the Gateshead Placemaking SPD. |  |  |  |
|   | rangement (including location and extent of the<br>ent would result in an unacceptably overbearing |  |  |

and oppressive impact and unacceptable level of overlooking/loss of privacy at garden land to the north east of the application site from Plot 2. The arrangement at the north east part of the application site would also result in impractical access arrangements and an unacceptable level of privacy being afforded to future occupiers of Plot 2.

The relationship of Plot 2 with the adjoining land to the south east, would also result in an unacceptably overbearing and oppressive impact and unacceptable level of overlooking/loss of privacy on that area of land.

The proposal is contrary to the aims and objectives of the National Planning Policy Framework, The National Design Guide, Local Plan policies CS14 and MSGP17, and the Gateshead Placemaking SPD.

In addition to the 3no objections received as outlined in section 3 of the main agenda, an additional 2no objections have been received from a local resident and the Jarrow Indoor Bowling Club, raising the following concerns:

- Impact upon the GIBC
- Impact on the local Community
- No indication of parking provision
- Lack of car parking
- Can existing structure take the load of prefab building?
- How will the vehicles be serviced?

A verbal update was also given and informed the Committee that a further 566 name petition in support of the application had been received.

#### PLANNING AND DEVELOPMENT COMMITTEE 16 March 2022

TITLE OF REPORT: Planning Obligations

**REPORT OF:** 

Anneliese Hutchinson, Service Director, Development, Transport and Public Protection

#### Purpose of the Report

1. To advise the Committee of the completion of Planning Obligations which have previously been authorised.

#### Background

- 2. To comply with the report of the District Auditor "Probity in Planning" it was agreed that a progress report should be put before the Committee to enable the provision of planning obligations to be monitored more closely.
- 3. Since the last Committee there have been **no** new planning obligations.
- 4. Since the last Committee there have been **no** new payments received in respect of planning obligations.
- 5. Details of all the planning obligations with outstanding covenants on behalf of developers and those currently being monitored can be found at Appendix 2.

Members will note the format of the information segregated into those agreements that are signed but awaiting the trigger for works for payment, agreements which have triggered the need for works or for an invoice to be sent and finally agreements where payment has been received and the works and spend are being monitored.

#### Recommendation

6. It is recommended that the Committee note the report.

Contact: Emma Lucas Ext 3747

#### 1. FINANCIAL IMPLICATIONS

Some Section 106 Agreements require a financial payment when a certain trigger is reached and there is a duty on the Council to utilise the financial payments for the purposes stated and within the timescale stated in the agreement.
