PRUDENTIAL INDICATORS 2017/18

The 2017/18 Prudential Indicators were agreed by Council on 23 February 2017 (column 1). This is now compared with the 2017/18 actual position as at the end of the first quarter, 30^{th} June 2017 (column 2).

Certain Treasury Management indicators must be monitored throughout the year on a regular basis in order to avoid breaching agreed limits. The capital expenditure and capital financing requirement indicators have been revised in line with the revised budget and none of the other approved Prudential Indicators set for 2017/18 have been breached.
