Implications of Recommended Option

5. **Financial Implications** – The costs of processing the application and public advertisement are met from fee income. The Strategic Director, Corporate Resources, confirms that there are no financial implications arising from this report.
6. **Risk Management Implications** – The Service Director, Development and Public Protected has consulted with Tyne and Wear Fire Service, Northumbria Police and on building control for purposes of health and safety and public order. There are no objections to the application.
7. **Human Resources Implications** - There are no human resources implications arising from the proposal.
8. **Equality and Diversity Implications** - The approval of premises for the solemnisation of civil marriages and registration of civil partnerships provides opportunities for people to enter into secular and civil proceedings in a location of their choice, rather than at the offices of the district registrar.
9. **Crime and Disorder Implications** - The Service Director, Development and Public Protected consulted with Northumbria Police on matters relating to public order. There are no objections to the application.

recognised relationships, with their attendant benefits, which, support personal and social stability and contribute to wellbeing.

11. **Sustainability Implications** – There are no sustainability implications arising directly from the proposal. Those attending at an approved premise would be likely to travel to the premises for a celebration of the event even if the marriage ceremony or civil partnership registration was to take place at a separate location.
12. **Human Rights Implications** - The approval of premises for solemnisation of civil marriages enhances the right to marry under Article 12 of the European Convention on Human Rights.
13. **Area and Ward Implications** – Saltwell Towers is in the Saltwell ward. The ward members have been consulted on the application. There are no objections.
