Update Report Received – reason for minor update

Amended plans received and amendments to conditions

An amended site plan has been submitted to reflect the minor changes required to implement the drainage feature in Car Park Area A.

Decision(s) and any conditions attached:

The permission be GRANTED subject to the following condition(s) and that the Strategic Director of Communities and Environment be authorised to add, vary and amend the planning conditions are necessary:

1. The development shall be carried out in complete accordance with the approved plan(s) as detailed below –

102B, 104

Any material change to the approved plans will require a formal planning application to vary this condition and any non-material change to the plans will require the submission of details and the agreement in writing by the Local Planning Authority prior to any non-material change being made.

2. Car Park A must be commenced not later than 3 years from the date of this permission.

3. Car Park A shall not be brought into use until Gateshead Health Trust's overarching Travel Plan for both the Queen Elizabeth Hospital and the Bensham Hospital sites, titled Queen Elizabeth Hospital Travel Plan, has been updated and submitted to and approved in writing by the Local Planning Authority.

The Travel Plan shall detail the delivery mechanism for its implementation in order to provide for the following measures:

- 1) Reduction in car usage and increased use of public transport, walking and cycling;
- 2) Minimal operational requirements for car parking in accordance with the NPPF and policy CS13 of the Core Strategy
- 3) Reduced traffic speeds within the site and improved road safety and personal safety for pedestrians and cyclists;
- 4) More environmentally friendly delivery movements;
- 5) Timetable for implementation
- 6) A programme of continuous review of the approved details of the Travel Plan and the implementation for any approved changes to the plan.

4) The Travel Plan shall be implemented in accordance with the details approved under condition 3.

5) No part of Car Park A shall be brought into use until a car park management plan for the site has been submitted to and approved in writing by the Local Planning Authority.

6) The site shall be operated in accordance with the car park management plan approved under condition 5.

7) Prior to Car Park A being first brought into use, secure and lockable cycle parking facilities for at least 10 bikes shall be provided within the site for staff and shall be retained as such thereafter.

8) The development hereby approved shall be completed in accordance with the details set out in the submitted Drainage Assessment which comprises

Bensham Hospital Car Park Drainage Statement Rev B,
C-GA-05 Proposed Drainage Plan with Porous System
C-D-01 Hardstanding and Drainage Construction Details

These measures shall be maintained in accordance with the Bensham Hospital SuDS Maintenance Plan.

9) Any undesirable material observed during excavation of the existing ground shall be screened and removed. If any areas of odorous, abnormally coloured or suspected contaminated ground are encountered during development works, then operations shall cease and the exposed material shall be chemically tested.

The works shall not continue until a Risk Assessment and, if required remediation and monitoring measures, have been and submitted to and approved in writing by the Local Planning Authority.

10) If any evidence of coal mining legacies are encountered during development works, then operations shall cease and the works shall not continue until a Risk Assessment and, if required remediation and monitoring measures, have been and submitted to and approved in writing by the Local Planning Authority.

Any additional comments on application/decision:

None.
