APPENDIX 1

Policy Context

1. The proposal supports the vision for Gateshead as outlined in the Sustainable Communities Strategy and the Council's Corporate Plan, in particular supporting the building of cohesive and diverse communities.

Background

2. Premises may be approved as a venue for the solemnisation of marriages under the provisions of the Marriage Act 1949 and the registration of civil partnerships under the Civil Partnership Act 2004, in accordance with the Marriages and Civil Partnerships (Approved Premises) Regulations 2005.

Consultation

3. In accordance with the regulations, the application has been advertised in the local press. The councillors for the Whickham South and Sunnyside ward have been consulted. There are no objections to the application.

Alternative Options

4. Premises meeting the criteria under the Marriages and Civil Partnerships (Approved Premises) Regulations 2005 and guidance issued by the Registrar General must be considered for approved premises status. There is no alternative to considering the application.

Implications of Recommended Option

5. **Financial Implications** – The costs of processing the application and public advertisement are met from fee income. The Strategic Director, Finance and ICT, confirms that there are no financial implications arising from this report.
6. **Risk Management Implications** – The Head of Communities and Environment has consulted with Tyne and Wear Fire Service, Northumbria Police and on building control for purposes of health and safety and public order. There are no objections to the application.
7. **Human Resources Implications** - There are no human resources implications arising from the proposal.
8. **Equality and Diversity Implications** - The approval of premises for the solemnisation of civil marriages and registration of civil partnerships provides opportunities for people to enter into secular, civil, proceedings in a location of their choice, rather than at the offices of the district registrar.
9. **Crime and Disorder Implications** - The Head of Communities and Environment has consulted with Northumbria Police on matters relating to public order. There are no objections to the application.
10. **Health Implications**
The approval of premises for the solemnisation of civil marriages and registration of civil partnerships increases the opportunities for couples to enter into legally recognised relationships, with their attendant benefits, which, support personal and social stability and contribute to wellbeing.

11. **Sustainability Implications** – There are no sustainability implications arising directly from the proposal. Those attending at an approved premise would be likely to travel to the premises for a celebration of the event even if the marriage ceremony or civil partnership registration was to take place at a separate location.
12. **Human Rights Implications** - The approval of premises for solemnisation of civil marriages and registration of civil partnerships provides opportunities for people to enter into secular, civil, proceedings in a building of their choice, rather than at the offices of the district registrar.
13. **Area and Ward Implications** – Tanfield Railway Ltd is in the Whickham South and Sunnyside ward. The ward members have been consulted on the application. There are no objections.
