DEVELOPMENT PLAN

Section 38(6) of the Planning & Compulsory Purchase Act 2004 specifies that: 'If regard is to be had to the Development Plan for the purpose of any determination to be made under the Planning Acts the determination must be made in accordance with the Plan unless material considerations indicate otherwise.'

NATIONAL PLANNING POLICY FRAMEWORK (NPPF)

The NPPF was published in June 2018 by Ministry of Housing, Communities and Local Government (MHCLG) and is a material consideration in planning decisions. The NPPF is supported by Planning Practice Guidance (PPG), which provides further detail on how some policies of the NPPF should be applied.

LOCAL PLAN

In 2015 Gateshead Council and Newcastle City Council adopted Planning for the Future Core Strategy and Urban Core Plan for Gateshead and Newcastle Upon Tyne 2010-2030 (CSUCP). This Development Plan Document (DPD) sets area-wide Planning Policies for Gateshead and Newcastle, (including policies setting out the amount, and broad distribution of new development) and provides more detailed policies for the Urban Core of Gateshead and Newcastle.

In accordance with the Planning and Compulsory Purchase Act 2004 (as amended) the CSUCP now forms part of the statutory development plan for Gateshead. The CSUCP also supersedes and deletes some of the saved policies in the Unitary Development Plan (UDP). A list of deleted UDP policies is provided in Appendix 1 of the CSUCP.

The Unitary Development Plan for Gateshead was adopted in July 2007 and the remaining saved policies together with the CSUCP represent a current up to date development plan. In the report for each application, specific reference will be made to those policies and proposals which are particularly relevant to the application site and proposed development. Where the saved UDP policies are in general conformity with the NPPF due weight should be given to them. The closer the consistency with the NPPF the greater the weight can be given.

Some UDP policies are supported by Interim Policy Advice notes (IPA), or Supplementary Planning Guidance (SPG). IPA 4 and 17 and SPG 4 and 5 excerpts, will continue to be used until they have been replaced by appropriate alternatives.

The Council is currently working on new draft detailed policies and land allocations for the new Local Plan. The DPD will be called Making Spaces for Growing Places (MSGP), which once adopted will replace any remaining saved UDP policies and designations/allocations.

UPDATES

The agenda is formed and printed approximately a week prior to the Planning and Development Committee meeting. Information, correspondence and representations can sometimes be received in the intervening period. In such cases a written update report will be circulated to Members the day prior to the meeting and on occasion there may be further verbal updates to Members from officers, so that Members are aware of all material planning considerations when making their decision on applications.

SPEAKING AT COMMITTEE

Gateshead Council seeks to be inclusive in its decision making process and therefore allows applicants, agents and interested parties to make verbal representation to Members at Committee in accordance with the Council's agreed speaking rights protocol; amongst other procedural requirements, a person must have submitted a request to speak in writing at least a week, in advance of the meeting, and subsequently confirmed their intention to speak.

For further details of speaking rights at committee contact the Development Management Section on (0191) 4333150 or please view the leaflet 'Having Your Say' available from Development Management.

The reports include a <u>précis</u> of the comments received, full copies of letters are available to view on the application file. In all cases the consultations and publicity have been carried out in accordance with the appropriate procedure(s).

SITE VISITS

On occasion the Committee will defer making a decision until they have viewed the application site themselves as a group. The visits are fact finding visits only and no debate or decision making will take place on the visit and no representations will be heard at these visits and therefore the Local Planning Authority will not invite applicants or third parties to attend unless for the sole purpose of arranging access to land and or/ buildings.

In many cases involving similar types of use, a change of use of a building or land does not need planning permission. Planning permission is not needed when both the present and proposed uses fall within the same 'class', or if the Town and Country Planning (Use Classes) Order 1987 says that a change of class is permitted to another specified class.
