Subject: RE: TEN: Wayne Donnelly, Bay Horse Inn - 16th June

Good Afternoon Kirsty,

I refer to the TEN application below for the Bay Horse and wish to object on the grounds I have concerns the applicant will not meet the licensing objective of prevention of public nuisance. There are no details of how the applicant will prevent any nuisance to nearby residents at a significantly more sensitive time for any potential disturbance.

Environmental Health service have previously received complaints of excessive noise levels in 2018 from entertainment at the premises, particularly associated with activity in the rear yard. Where the applicant is willing, I am agreeable to meeting to discuss the application and control of noise from patrons/entertainment.

Any queries, please do not hesitate to contact me.

Regards

Andrew

**OBJECTION NOTICE
TEMPORARY EVENT NOTICE**

Date of event 16th June 2019
Time: 00:01hrs - 02:00hrs
Licensable activities: the sale by retail of alcohol

Northumbria Police, hereby give an objection notice to this Temporary Event Notice.

The notice seeks to cater for approximately 100 wedding guests who were previously partaking in the consumption of alcohol and other activities at a distant wedding venue. Further alcohol sales into the early hours of the morning will exasperate the potential for drunkenness, increase the risk for alcohol related incidents and public nuisance in and around the premises.

The public house does not offer smokers the opportunity to smoke inside the premises. We believe that local residents will be affected by noise generated by customers going outside in small hours of the morning for a cigarette break. Similarly, we fear noise and nuisance will be caused by customers leaving the premise at the end of the event.

We are concerned that all four licensing objectives will be undermined, should licensable activities be permitted under this Temporary Event Notice.

Northumbria Police Chief Inspector
7778 Stephen Wykes
