Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Please see all notes below.

b) The prevention of crime and disorder

The licence shall ensure that there are sufficient, competent, and appropriately trained staff are on duty at all times when licensable activity is taking place (to fulfil the terms of the licence and to contribute to preventing crime and disorder).

The licensee will ensure that door supervisors are engaged for duty at the premises and that their names and licence numbers are recorded in a appropriate book which will be safely held at the premises (and recorded and stored with back up photographs each day). This book will be available for inspection for the police or any other relevant authorised officers.

Glass bottles will not be left in the possession of patrons after service, and will be removed from customers once the contents are served. Glass wine bottles will only be allowed at the tables of diners and will be removed as soon as they are empty. No persons will be allowed onto the premises with sealed glass bottles.

All glasses used for the same of alcohol will be tempered glassware (strengthened) apart from fine wine and champagne glasses.

No glassware will be allowed off the premises.

The staff will be trained to know how many customers will be in the premises at any given time as part of service and safety procedures.

The maximum occupancy of the premises will be clearly displayed on a sign clearly visibly or near or on the front door and by the main bar.

Credible photographic evidence (passport, photo driving licence or proof of age card only) of age will be requested by the door supervisors as part of the challenge 25 service policy that will be enforced (and backed up by appropriate staff training).

This policy will be announced and confirmed on a clearly worded sign.

Licensed times of operation will be clearly marked on a sign outside the premises, along with restrictions for children.

A new CCTV will be installed throughout the premises as part of our fit out, this will also cover the frontage of the unit. It will cover all entrances and exits, the till area, any coverage required by the police. The CCTV will record and store a minimum period of 28 days of footage and be in operation at all times. CCTV footage will be made available to the local authority and police whenever needed.

The licence holder will cooperate with any reasonable crime prevention initiative that might be promoted by the licencing authority or police.

The premises licence holder shall comply with any reasonable measures required to prevent the sale of alcohol to children. (including a challenge 25 policy that will be strictly enforced). Staff will also be made aware of proxy sales in order to ensure that sales to adults are not then passed on to children. Staff will refuse to sell products to any adult that is suspected of passing restricted products to children. Details of any refusals will be logged in the register. Staff will be given sufficient training with the licencing authority in the control of age restricted products (which will be refreshed whenever needed). This training will be recorded. Logged refusals will be backed up with cctv records.

Staff will be provided with an un obstructed view of the area immediately outside of the premises entrance.

Persons under the age of 18 will not be allowed in the premises after 21:00 hours each day.

No person shall be allowed into the premises carrying glass bottles at any time.

Signage will be clearly displayed that will confirm that underage sales of alcohol are illegal, and that customers will be asked to prove their age.

c) Public safety

Notices the actions to be taken in the event of fire or other emergency including how to summon the fire brigade shall be prominently displayed and protected from damage or deterioration.

Temporary wiring and distribution systems shall not be provided without notification to the licencing authority at least 10 days before commencement of the work and prior inspection by a suitably qualified electrician. Premises shall not be opened to the public until the work is deemed satisfactory by the above parties. Where it is not possible to provide 10 days notice to the licencing authority then the work shall be undertaken by competent / qualified persons.

All temporary electrical wiring distribution systems shall be inspected and certified by a competent person before they are put to use.

d) The prevention of public nuisance

Windows, doors and fire escapes shall remain closed during proposed entertainment events within the premises (where such events can be safely held with covid-19, or any other pandemic scenario, in mind).

Noise generated by amplified music shall be controlled by a noise limiting device set at a level determined by the local authority environmental health officer, such level being confirmed in writing by the licensee.

Noise limiting devices, once set, cannot be reset or adjusted without consultation with the local authority environmental health officer;

External doors shall be kept closed except for access and egress (unless they need to be kept open as part of covid-19 / pandemic management). Door staff shall supervise this to ensure that the doors are maintained closed as far as possible when public entertainment is taking place.

Clear and legible notices shall be displayed at exits and other circulatory areas requesting patrons to leave the premises having regard to the needs of local residents. In particular, the need to refrain from shouting, slamming car doors and sounding car horns.

The premises licence holder, designated premise supervisor and door supervisor shall monitor the activity of persons leaving the premises and remind them of their public responsibilities where needed (incidents can be logged and backed up with CCTV where needed).

Noise and vibration from regulated entertainment shall not be audible at the nearest noise sensitive premises.

There shall be provided as sufficient intervals throughout the premises and grounds, litter bins which shall be emptied and waste removed on a frequent basis, and staff and attendants shall as far as reasonably possible ensure that the public and guests do not litter. The front of the bar would be kept clean and tidy as part of operations to enhance the venue.

e) The protection of children from harm

Children under the age of 18 years old will not be allowed into the premises after 21:00 hours. Children that are unaccompanied by an adult parent or guardian will not be allowed into the premises at any time.

The premises manager and licence holder will ensure that all attendants (including volunteers and staff) who are to supervise children have been properly vetted (by an enhanced DBS check) and have no convictions that would make them unsuitable to supervise children.

There will be child protection policies agreed with the licencing authority and they will be actioned accordingly.

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

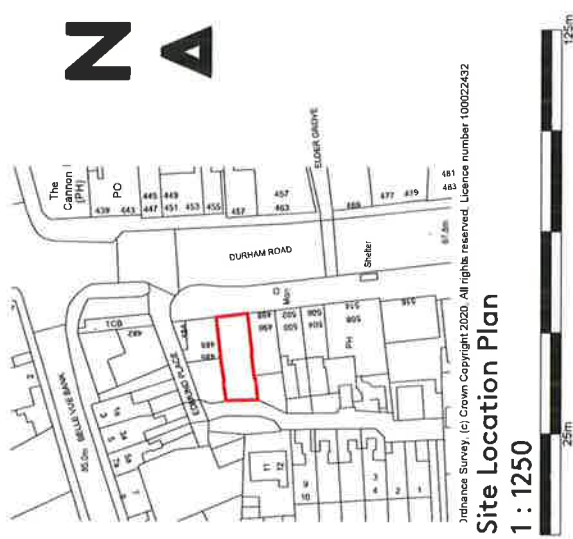

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
