1.	Land at Woodhouse Lane, Swalwell (Known as South West Farm Site One)	Swalwell	Without planning permission the change of use of the land from agriculture to a mixed use for agriculture, storage of vehicles, agricultural equipment and scrap metal and vehicle dismantling and repair	11 January 2016	12 January 2016	15 February 2016	14 March and 4 July 2016	<p>Notices were issued in September 2015 in respect of an unauthorised scrap being stored. Due to the scale of the breach of planning control an additional Notice was required in relation to the potential Environmental Impact of the Development.</p> <p>As such the original Notices (which were all being appealed) were withdrawn and further Notices were issued including those in respect of the requirement to carry out an Environmental Impact Assessment and provide an Environmental Statement with any subsequent appeals.</p> <p>The Notices required firstly, the cessation of the unauthorised use and secondly, the removal from the land of the scrap.</p> <p>Both defendants pleaded guilty at Newcastle Crown Court and both received a fine of £750. Each defendant was ordered to pay costs of £422.50 and a victim surcharge of £75. The site had to be cleared in 6 months.</p> <p>A site visit was undertaken in October 2018 where it was evident that the land has not been cleared and additional scrap had been brought on to the site. A further prosecution file is currently with the Councils legal department.</p> <p>A court date was issued for the 26<sup>th</sup> April 2019 at Gateshead Magistrates Court, but subsequently re issued for the 10<sup>th</sup> June 2019. In the interim officers are actively pursuing quotes to clear the land, to ascertain whether this is financially viable.</p> <p>The Court date was adjourned until 24<sup>th</sup> June 2019 at 10am, discussions took place with the land owner prior to the court date to progress with the clearance of the land.</p> <p>A site visit was undertaken on the 29<sup>th</sup> June 2019, two of the areas of land had been significantly cleared, with efforts continuing</p>	<p><b>04.05.2023 – The Environment Agency have attended and assessed the site in relation to green waste, environmental permits, vehicles, and vehicle parts storage.</b></p> <p><b>They have no concerns with the site and are not proposing any further action. Site owner has provided details to the local authority of all vehicles on site and has given assurances that the site will be tidied further.</b></p> <p><b>Ongoing monitoring to ensure improvement is made. Proposal to remove from future reports as current status does not warrant enforcement action.</b></p>
