### **Public Sector Equality Duty**

Section 149 of the Equality Act 2010 requires public authorities in the exercise of its functions to have due regard to the need to i) eliminate discrimination, harassment, victimisation and any other prohibited conduct, ii) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it and iii) foster good relations between persons who share a relevant protected characteristic and persons who do not share that characteristic.

Where relevant, regard has been had to the public sector equality duty and for the applications included on this agenda, officers have assessed all relevant factors and do not consider that there are any equality impacts identified.

The Human Rights Implications of the recommendations have been considered. Unless specified there are no implications that outweigh the material planning considerations.
