1. **Policy Context**

Schools

In accordance with The School Governance (Constitution) (England) Regulations, local authorities can nominate any eligible person as a Local Authority governor. Statutory guidance encourages local authorities to appoint high calibre governors with skills appropriate to the school's governance needs, who will uphold the school's ethos, and to nominate candidates irrespective of political affiliation or preferences. A person is disqualified as a Local Authority governor if they are eligible to be a Staff governor at the same school.

Consultation

2. The Cabinet Members for Children and Young People have been consulted.
