Strategic Director, Communities and Environment/ The Gateshead Housing Company	<p>The petition raised concerns about the large trees which belong to a private property. Residents have raised concerns that the trees are blocking out light and have also caused some damage to a boundary wall.</p> <p>The hedge has been inspected by the Council's Arboricultural Officer. He has reported that the hedge may be dealt with using High Hedge legislation with regard to the light issues. However, the legislation is not appropriate to use to deal with the damage to the walls as it only allows the Council to prune the hedge. In order to deal with the damage to the wall, it is considered more appropriate to remove the hedge. The Council is now in the process of contacting the land owner to arrange a meeting to discuss the damage to the wall. Following this meeting the lead petitioner and the ward councillors will be updated on progress.</p>
