**Proposal:**

Change of use from residential dwellinghouse (Use Class C3) to residential Children's Home (Use Class C2). (Additional information received on 17/05/23 and 18/05/23)

**Declarations of Interest:**

<b>Name</b>	<b>Nature of Interest</b>
Councillor L Moir	Personal Interest
Councillor C Ord	Personal Interest
Councillor A Geddes	Personal Interest
Councillor K Wood	Personal Interest

**List of speakers and details of any additional information submitted:**

Sandra Bell spoke in objection to the application

Aidan Lawson spoke in objection to the application

Jane Melrose Craven spoke in favour of the application

Oliver Suggate spoken in favour of the application

**Reason for Minor Update****Further representation received**

One further representation has been received from JT Planning, objecting to the development. The representation has been submitted on behalf of the occupiers of 4 households, all of whom have already made separate objections against the proposal.

The representation raises the following points, as summarised below:

- the proposal in principle is unacceptable as it would result in the loss of a high-quality family home, contrary to Policy CS9 of the Core Strategy
- the parking design along the frontage of the site would result in poor design through the removal of landscaping and the entire paving of the frontage. The site is also a short distance

from the western edge of the Ryton Conservation Area, therefore there is the potential for poor design to negatively impact upon the setting of the Conservation Area, contrary to heritage policies.

- the proposal would result in significant amenity issues for residents who live nearby, including through noise and disturbance and a fear of anti-social behaviour
- Adding a 7-bedroom care home which caters for up to 6 children and employs 14 full-time staff will result in further amenity issues in terms of traffic movements; noise from vehicles (doors opening/closing etc.); and children and staff congregating within the grounds and playing in the rear garden area, though it is understood that no more than 4 children and 5 staff would be on the site at any one time.
- the current layout does not provide adequate and safe parking and access for 5 vehicles and will lead to vehicles parking on the public highway
- The public highway is already congested, severely so during school pick-up and drop-off times. Therefore, it seems clear that the proposals are unacceptable and would lead to further highway safety concerns.
- Residents understand that the Applicant has a similar property providing care for 4 children in Fenham at '14 West Acres'. At this site it is understood that an additional 7 car parking spaces have been provided on top of the original 4. Residents believe that this is clear evidence that they require far in excess of the parking arrangements that Brumby can offer.

Officers are of the opinion that no new material planning issues in relation to the application site have been raised within this representation and that the points made are addressed within the main officer report.

### **Additional information received**

An updated 'Existing Floor Plan' has been submitted by the agent for the application because the original existing floor plans incorrectly identified 7 bedrooms at the property. While the dwelling benefits from additional living accommodation in its roof space, the updated 'Existing Floor Plan' confirms that it only has 5 bedrooms.

In addition, an updated 'Proposed Floor Plan' has been submitted by the agent, improving the visual clarity of the original drawing and clarifying that no new bedrooms are proposed to be created as a result of the change of use.

As set out within the submitted Planning and Transport Statement(s), which have formed the basis of the assessment of the development, the children's home would have 5 bedrooms, accommodating a bedroom each for no more than four children and one member of staff.

### **Condition(s) amended**

Taking into account the additional information received, the following recommended conditions are proposed to be amended, in order to insert the updated Existing and Proposed Floor Plan drawing numbers:

1

The development shall be carried out in complete accordance with the approved plan(s) as detailed below -

-Drawing Number 1000 Revision P2 Site Location Plan

**Nature of Interest**

**List of speakers and details of any additional information submitted:**

**Reason for Minor Update**

**Condition(s) added/deleted/amended**

Further to the recommendation set out in Paragraph 7.1 of the main report, Officers are of the view that four further planning conditions (Conditions 6 to 9), pertaining to boundary treatments and drainage during construction are required.

The proposed condition wording is set out in full below;

6

No boundary treatment(s) shall be provided until final details of all boundary treatments and a timetable for implementation have been submitted to and subsequently approved in writing by the LPA.

Reason

To ensure the satisfactory appearance of the development upon completion in accordance with the NPPF, and policies CS14, CS15 and MSGP24 of the Local Plan for Gateshead.

7

All boundary treatments shall be installed in accordance with approved details and timetable for implementation approved under Condition 6.

Reason

To ensure the satisfactory appearance of the development upon completion in accordance with the NPPF, and policies CS14, CS15 and MSGP24 of the Local Plan for Gateshead.

8

Notwithstanding the approved Drainage Assessment, within one month of the approval of planning permission, the details and specification of temporary measures to be employed during each construction phase for the management of runoff from site areas that have not yet received final soft landscaping or have not yet been connected to the new development drainage system shall be submitted to and subsequently approved in writing by the Local Planning Authority.

Reason

To ensure surface water is managed appropriately during the construction phase of the development, so as not to increase the flood risk to adjacent land/properties or to adversely affect the permanent drainage system for the development in accordance with the NPPF and policies CS17 and MSGP29 of the Local Plan for Gateshead.

9

Construction shall take place in full accordance with the temporary drainage measures approved at condition 8 prior to any of the houses hereby approved being occupied.

Reason

To ensure surface water is managed appropriately during the construction phase of the development, so as not to increase the flood risk to adjacent land/properties or to adversely affect the permanent drainage system for the development in accordance with the NPPF and policies CS17 and MSGP29 of the Local Plan for Gateshead.

**Decision(s) and any conditions attached:**

The Committee requested that the application be deferred in order for further information to be provided.

**Any additional comments on application/decision:**

The application was deferred.
