CL127 NOTICE OF MOTION - WORKERS' MEMORIAL DAY

Councillor P Foy moved the following motion:

“Gateshead Council supports Workers’ Memorial Day, on 28 April, as an internationally recognised day when workers and trade unionists remember those who have died as a result of their work and at the same time campaign to ensure that such tragedies are not repeated.

The theme for the day in 2017 is **Good health and safety for all workers whoever they are** and focuses on inequalities in occupational health and the role unions play in narrowing the inequalities gap.

The Council will:

- Promote Workers’ Memorial Day through Council media channels
- Fly official flags at half-mast
- Organise a minutes silence in Council workplaces
- Continue to support the annual Workers’ Memorial Day event in Saltwell Park”

On the motion being put it was declared to be carried.

CL128 NOTICE OF MOTION - LEGAL AID

Councillor L Caffrey moved the following motion:

“Due to a change to rules for obtaining Legal Aid, Domestic abuse victims applying for legal aid to have their case heard in court must first prove that they are victims of such abuse. One of the accepted forms of evidence is a letter from a GP, a letter that some GPs charge up to £75 to provide.

Many victims flee abuse with very little and often only have the clothes that they are wearing and very few personal items; many have limited access to funds. Without legal aid some victims simply cannot afford court proceedings against their

perpetrator.

Last year Baroness Thornton tabled an amendment to the Children and Social Work Bill, which would force the Government to stop GPs charging for a legal aid letter when domestic violence is taking place in a family which includes children, but this was defeated.

Gateshead Local Medical Committee (LMC) have asked their GP members not to charge victims of domestic abuse when providing evidence to support a Legal Aid application, but in other areas this may not be enough to stop charges being made.

A campaign to 'Scrap the fee' has been initiated by Manchester Councillors and some MPs including Tom Watson and the LMC have offered their backing for this campaign alongside Gateshead Council.

Council agrees to:

Support the Scrap the Fee campaign

Write to the Government urging them to scrap this fee and emphasising the support from Gateshead LMC for such a measure."

On the motion being put it was declared to be carried.
