Please state the ground(s) for representation (please read guidance note 1)

The premises licence for this business is one with very few conditions (only the Mandatory conditions), which poses difficulties for the Licensing Authority both in terms of ensuring that the business is actively promoting the Licensing Objectives and to impose sufficient controls to regulate the Licensable activity.

For example the premises is not currently obliged to operate a challenge either 21 or 25 policy, they are not obliged to keep training records, they are not obliged to keep a refusals register nor to have CCTV.

Beyond the concerns about the limited conditions on the Licence there are concerns about the management arrangements at the premises. In the period from September 2016 to November 2016 4 applications were made to transfer the Licence and to vary the Designated Premises Supervisor. Two of these application were refused, a third was granted but the applicant left after around 4 weeks and a fourth application was submitted.

Please provide as much information as possible to support the representation

(Please read guidance note 2)

Please state the ground(s) for representation

Gateshead Local Safeguarding Children Board (LSCB) is concerned that the licensable activities taking place at Wellfield Stores are not in accordance with the promotion of another licensing objective, which is the protection of children from harm.

It has come to the attention of Gateshead LSCB that there is evidence to suggest that underage sales of alcohol have taken place at Wellfield Stores, 1 Wellfield Terrace, thereby demonstrating a failure to promote the licensing objective to protect children from harm. On 24th October 2017 alcohol was sold to a 15 year old child volunteer, contrary to section 146(1) of the Licensing Act 2003. The 15 year old was able to purchase four cans of Stella lager from the store.

Please provide as much information as possible to support the representation

Gateshead Local Safeguarding Children Board, the body responsible for the protection of children from harm, is concerned that the licensable activities are not in accordance with the promotion of the licensing objectives, one of which is the protection of children from harm. The protection of children and young people has always been a core commitment of all partners who work together in Gateshead to keep them safe.

Gateshead Council's Trading Standards Service carries out test purchase operations using child volunteers to check the compliance of retailers selling age restricted products such as alcohol. The Service follows agreed guidelines when carrying out these operations.

The LSCB has received information that On 24th October 2017 a test purchase operation was carried out by officers from Gateshead Trading Standards using a 15 year old child volunteer. The volunteer was instructed to attempt to buy alcohol from Wellfield Stores, 1 Wellfield Terrace, Gateshead. The child volunteer was sold four cans of Stella lager by Daniel Shaw who was working at the store at the time. Mr Shaw asked the volunteer if he had any ID, when he replied "No" he served him anyway and told him he should "keep it with him at all times". During the test purchase operation the volunteer attempted to purchase alcohol from 10 premises and was refused on 8 occasions.

Suwandrarasa Jeyarasa is the owner of the store as well as the holder of the premises licence and the designated premises supervisor. He was not present at the time of the sale.

LSCBs are the key statutory mechanism for protecting children from harm and agreeing how the relevant organisations in each local area will cooperate to safeguard and promote the welfare of children, and for ensuring the effectiveness of what they do. Gateshead LSCB is made up of a number of statutory partners including Gateshead Council, Gateshead Health NHS Foundation Trust, Newcastle Gateshead CCG, North East Ambulance Service, Northumberland, Tyne and Wear NHS Foundation Trust, Northumbria CRC, Northumbria Police, Tyne & Wear Fire and Rescue Service and CAF/CASS.

Access to alcohol by young people and the resulting crime and disorder is a significant community problem that impacts on crime, and the fear of crime, within many areas of the Borough as well as being an issue that puts children and young people at risk themselves. The vision of Gateshead LSCB is that every child should grow up in a loving and secure environment, which is free from abuse, neglect and crime, enabling them to enjoy good health and fulfil their social and educational potential. Evidence suggests that binge drinking in adolescence could limit opportunities for this to occur and therefore the LSCB is keen to ensure that licensees restrict access to alcohol by underage drinkers and have processes in place to ensure the protection of children from harm.

Research suggests that the adolescent brain may be uniquely sensitive to alcohol's effects due to the major changes in brain structure and function that occur during this developmental period. Studies have found that binge drinking by youths is also associated with alcohol-related violence and other anti-social behaviours. A

UK study found that binge drinking in adolescence was associated with an increased risk of health, social, educational and economic adversity continuing into later adult life. Alcohol intoxication can occur during binge drinking and the acute toxic effects are generally related to blood alcohol concentrations. There is evidence to suggest that the severe hypoglycaemia (low blood sugar) that can accompany alcohol intoxication and may result in coma occurs more commonly in adolescents than adults. Deaths from alcohol poisoning appear to occur most often when relatively inexperienced drinkers consume very large amounts of alcohol in a short time

The information above would appear to suggest that Wellfield Stores, 1 Wellfield Terrace, is not complying with the licensing objective of the protection of children from harm. Licence objectives and laws are not being followed and children in Gateshead are at risk because of this.

| 3. The Prevention of Public Nuisance | <input type="checkbox"/> |
| 4. The Protection of Children From Harm | <input checked="" type="checkbox"/> |

Please state the ground(s) for representation (please read guidance note 1)

This representation is made in my capacity as Director of Public Health for the Borough of Gateshead. The Director of Public Health in Gateshead is concerned that the licensable activities taking place at Wellfield Stores are not in accordance with the promotion of the licensing objectives, one of which is 'The protection of children from harm.'

It has come to the attention of the Public Health Team that there is evidence to suggest that underage sales of alcohol have taken place at Wellfield Stores, thereby demonstrating a failure to promote the licensing objective to protect children from harm. On 24 October 2017 Gateshead Council Trading Standards carried out a test purchase operation using a 15 year old child volunteer who was sold a 4 pack of Stella larger by Daniel Shaw, an employee at the store.

Since 2013 Directors of Public Health have been 'responsible authorities' under the Licensing Act 2003. The role of the Director of Public Health is to help promote the health and wellbeing of the local populations they serve. The Public Health approach to alcohol is to encourage and promote responsible drinking and protect young people from related harm. This is an expansive remit that influences a wide range of circumstances, including local licensing arrangements. Similarly the licensing regime is concerned with the promotion of the licensing objectives, which collectively seek to protect the quality of life for those who live, and work in the vicinity of licensed premises, and those who socialise in licensed premises.

I am particularly concerned that the arrangements to prevent underage sales are not sufficiently robust and therefore fail to protect children from harm. The sale to a minor demonstrates that the checks and balances in place are not rigorous enough and could also lead to a significantly heightened risk of proxy sales, due to the lack of care being taken to check the authenticity and age of the person buying the alcohol.

The sale of alcohol to children leads to a negative impact on the children that consume the alcohol and on those who live and work in the vicinity of the premises. Alcohol can have a significant impact on the health of young people and alcohol related harm remains one of the biggest health problems. Research suggests that alcohol can affect the developing brain in early adolescence, and this is also the age when some young people are particularly vulnerable to risk taking. The Healthy Child Programme (2010) states that 50% of adolescent binge drinkers are more likely to be dependent on alcohol or misusing substances when they reach the age of 30. Alcohol misuse in adolescence has been linked to Poorer memory, increased risk of addiction in later life, impaired ability to understand the physical world. The Chief Medical Officer issues Guidance on the Consumption of Alcohol by Children and Young People- advising that an alcohol free childhood is the healthiest and best option. Public Health evidence suggests adolescents are less likely to try and avoid harm than any other age groups and therefore more likely to go on to binge drink and experience alcohol use disorders and therefore the Director of Public Health is keen to ensure that licenses restrict access to alcohol by underage drinkers and have processes in place to ensure the protection of children from harm.

The latest available data from Public Health England (2013/14-2015/16) for admissions rate for Gateshead, is higher than the England average for the rate of young people under 18 who are admitted to hospital because they have a condition wholly related to alcohol such as alcohol overdose. The North East has the highest rate of under 18 hospital admissions in England. In Gateshead there have been 80 alcohol specific hospital admissions for under 18's (2013/14-2015/16).

Please provide as much information as possible to support the representation

(Please read guidance note 2)

The Director of Public Health as a responsible authority under the Licensing Act 2003 since 2013, is concerned that the licensable activities are not in accordance with the promotion of the licensing objectives, one of which is the protection of children from harm.

A test purchase operation was undertaken by officers from Gateshead Trading Standards using a 15 year old child volunteer on 24th October 2017. The volunteer was sold 4 cans of Stella lager by Mr Daniel Shaw. Mr Shaw asked the volunteer if he had any ID, when he replied "No" he served him anyway and told him that he should "keep it with him at all times".

The store is owned by Suwandrarasa Jeyarasa, who is also the designated premises supervisor; he was not present at the time of sale.

The Director of Public Health shares the concerns raised by Trading Standards that, as a result of the above sale and the failure of systems in place at the shop on the day of the sale, the premises is not complying with the licensing objective of the protection of children from harm, licence conditions continue to be ignored and children in Gateshead are at risk because of this.

NORTHUMBRIA POLICE are in support of the premises licence review instigated by Gateshead Council – Local Weights and Measures Authority. The licensing objectives of prevention of crime and disorder and protection of children from harm are not being upheld.

The Application
Application for a review of the premises licence under the Licensing Act 2003 by Gateshead Council - Local Weights and Measures Authority on 02/11/17.

Grounds
On 24th October 2017 Mr Daniel SHAW sold four cans of Stella lager to a 15 year old volunteer, contrary to section 146(1) of the Licensing Act 2003.

Police support of the review
On 16th September 2016 Northumbria Police submitted an objection notice to an application made by Maheswaran Nimalmahendra the owner of the premises to appoint himself as the Designated Premises Supervisor.

On 4th October 2016 Northumbria Police submitted an objection notice to an application made by Kopalakrishnan PERAMPALAM the owner of the premises to appoint himself as the Designated Premises Supervisor.

On 1ST December 2016 Suwandrarasa JEYARASA became both the Premises Licence Holder and the Designated Premises Supervisor.

On the 1st October 2017 CSO Andrew HARRISON conducted visits to off-licenced premises in the Felling area. This was due to an increase in repots of youths drinking in the area. Whilst at Wellfield Stores he spoke to Mr Daniel SHAW d.o.b. 28/09/1973 who informed him that he ran the shop with his girlfriend. Mr Shaw stated that the shop is owned by Suwandrarasa JEYARASA, but they operate on his behalf.

Northumbria Police wish to support the review process as the licensing objectives of prevention of crime and disorder and protection of children from harm are being undermined.
