& Governance

Summary

This report is set out in two parts. The first part highlights how this Committee has influenced / shaped the development of policy /decision making during 2017-18 and the second part details proposals for the development of the work programme for Overview and Scrutiny Committees (OSCs) and sets out the provisional work programme for the Families OSC for the municipal year 2018-19.

Background

1. On 18 July 2017 Cabinet agreed to pilot a number of changes to Overview and Scrutiny in Gateshead aimed at ensuring that Overview and Scrutiny in Gateshead:-
 - is first and foremost member led.
 - enhances the leadership role of OSC Chairs and Vice Chairs in driving forward, directing and shaping individual OSC work.
 - enhances engagement and involvement with OSC members in shaping the focus of the work of specific OSCs.
 - creates stronger relationships/linkages with the Executive.
 - enables Overview and Scrutiny to better understand and track how it is influencing Cabinet Policy / Decision making going forwards.

Annual Review

2. The pilot changes to Overview and Scrutiny commenced in September 2017 and this is the first review of the work programme following those changes.
3. During 2017-18 the OSC has sought to influence and shape policy development / decision making via a number of routes.
4. During this period the OSC's recommendations relating to the OSC's Review of Oral Health have been approved by Cabinet and implemented. The OSC has monitored progress on the implementation of these recommendations at its meeting on 7 September 2017. At that stage, following initial discussions with commissioners it had been agreed that oral health promotion work would be embedded in the new specification for 0-19 public health nursing service. Plans were also in place for the Public Health Team to work with the Service Director Early Help to embed oral health promotion across the early help strategy and ensure a life course approach to oral health improvement. Further work with NHS England was identified to ensure clarity around the role and remit of the public health nursing service. New appointments in the Public Health Team would also

progress making the every contact count approach incorporate the Change for Life Programme (eg sugar smart, food smart). The OSC indicated at that time that it was satisfied with the level of progress made. The OSC will consider a further report in relation to progress against its recommendations at its meeting today.

5. The OSC has also carried out a Review of Children on the Edge of Care and the OSC findings and recommendations have been approved by Cabinet. The OSC will now monitor the implementation of these recommendations during its 2018-19 work programme.
6. The OSC has monitored Council performance generally, in those areas falling within its remit, at its meetings on 15 June 2017 and 30 November 2017, and Cabinet has had regard to the OSC's views when considering Council performance overall.
7. The OSC has also monitored progress in relation to the following specific areas of performance and the OSC's comments have been fed into the improvement work progressed by relevant service areas and fed back to relevant partners.
 - CAMHS
 - Care Pathway for Foetal Alcohol Spectrum Disorder
 - Early Help Strategy
 - Children Presenting at Hospital as a result of Self-Harm
 - Ofsted Inspections/ School Data
 - SEND Inspection Outcomes
 - Annual Report on Complaints and Representations
 - Recruitment and Retention of Social Workers
 - Permanent Exclusions and 14 Point Action Plan
8. The OSC is due to monitor specific progress on NEET Care Leavers at the OSC meeting today.
9. In addition, the OSC has also been made aware of the LSCB's Annual Report and Plans and will be invited to give its views on the Board's emerging priorities at the OSC meeting today.

Development of 2018-19 Work Programme

10. Every year each Overview and Scrutiny Committee draws up a work programme based on the Council's policy framework which is then agreed by the Council as part of the policy planning process.
11. The Committee's work programme is a rolling programme which sets the agenda for its six weekly meetings. It is the means by which it can address the interests of the local community, focus on improving services and seek to reduce inequalities in service provision and access to services.
12. Under the Council's constitution the issues which will be considered by the Overview and Scrutiny Committees come from a number of sources:
 - During the year the Committee may choose to scrutinise decisions made by the Cabinet to ensure decisions are taken properly;
 - The Committee may be requested by the Cabinet to carry out reviews of particular issues in accordance with the Council's policy priorities;

- The Committee will receive six-monthly reports on performance for comment to Cabinet;
 - The Committee will receive reports on relevant service improvement reviews at key stages of development to confirm to Cabinet that reviews are progressing appropriately;
 - Section 119 of the Local Government and Public Involvement in Health Act 2007 and Section 126 of the Police and Criminal Justice Act 2006 enable any member of the Council to refer to a relevant Overview and Scrutiny Committee any local government matter and any crime and disorder matter which affects their ward or constituents
 - Members of the Committee may identify particular issues for consideration;
 - Members may also examine issues in the Council's Forward Plan; and
 - In addition, where the Committee has reasonable concerns about a particular executive decision the call-in mechanism is available.
13. This year the changes piloted included enhanced engagement and involvement with OSC members in shaping the focus of the work of specific OSCs via a specific work programme event held on 9 February 2018. At that event councillors had regard to the key issues/challenges/legislative changes affecting the work of the Council within the forthcoming twelve months which fall within the specific remits of each OSC and the 5 pledges under the Thrive agenda:-
- Put people and families at the heart of everything that we do
 - Tackle inequality so people have a fair chance
 - Support our communities to support themselves and each other
 - Invest in our economy to provide sustainable opportunities for employment, innovation and growth across the borough.
 - Work together and fight for a better future for Gateshead
14. Subsequently, the Council has consulted partner organisations on the emerging themes for each OSC for 2018-19.
15. Details of the emerging issues / areas for potential review and the feedback from partners are set out at Appendix 2.
16. The attached provisional work programme (Appendix 1) has therefore taken account of the following:-
- Six-monthly performance reporting
 - The Thrive agenda and the Council Plan and partnership work generally
 - Current issues referred to Committees
 - Details of potential review topics/case studies
 - Legislative provisions and guidance on the Councillor Call for Action
17. The work programme remains provisional as:-
- Cabinet has not had the opportunity to fully review its work programme and it may wish to refer further issues to Overview and Scrutiny Committees for further consideration;
 - It does not take account of new policy issues which may be identified during the year, which Cabinet may refer to Overview and Scrutiny; and
 - It does not include issues identified by members of committees on an ongoing basis during the year as a result of scrutiny of decisions, call – in and councillor call for action.

Next Steps

The OSC Co - ordinator will carry out further work with OSC lead officers across all of the OSCs to consider what future improvements can be made to the process of tracking how OSCs are influencing policy development and decision making with a view to strengthening the annual review process going forwards.
