**Application for Grant of Premises Licence
20 Shibdon Road, Blaydon on Tyne, Tyne and Wear, NE21 5AE**

I refer to the above application for grant of premises licence and wish to object to the application in its current form. I am of the opinion that the rear 'pergola area' is unsuitable for external drinking/beer garden given the immediate proximity of adjacent flat bedroom windows (that appears to be under development).

I attach a photo to highlight my concerns that the licence objective 'prevention of public nuisance' would not be met.

Any queries, please do not hesitate to contact me.

Regards

Andrew

Subject: New premises licence application- 20 Shibdon Road, Blaydon, NE21 5AE

Sir/Madam,

In relation to this application I would like to state that Northumbria Police would have concerns if the premises licence were granted as per the application and would as a minimum request that a CCTV condition is in place in order to prevent the licensing objective of the prevention of crime and disorder from being undermined.

Thanks,

Warren.

The Licensing Authority (in its capacity as a Responsible Authority) have a number of concerns regarding this application in its current form to grant a premises licence to allow the sale of alcohol (on the premises) 10:00-22:00 hours seven days a week.

The Council's statement of Licensing Policy states at section 6:

6.2 The Licensing Authority considers:

- the effective and responsible management of premises
- instruction, training and supervision of staff; and
- the adoption of best practice

to be amongst the most important control measures for the achievement of all the licensing objectives. For this reason, the Licensing Authority will expect these elements to be specifically considered and addressed within an applicant's operating schedule.

6.3 Applicants who do not clearly demonstrate how they intend to address these issues in their operating schedules should expect their applications to be objected to, including by the Licensing Authority.

The operating schedule provided by the Applicant is sparse and is limited on details of what measure that the Applicant will put in place to promote the licensing objectives. For example the Applicant has stated 'in order to promote the four licensing objectives she will create a step by step guide listing the dos and don'ts within the premises'. The Licensing Authority would have expected the Applicant to provide further details on the areas that the guide would cover. In addition the Applicant has stated that 'I will also train members of staff to deal with aggressive people in the correct way to prevent situations getting out of hand'. Again, the Licensing Authority would have expected the Applicant to train staff on other topics such as age verification policy such as Challenge 25, credible photographic proof of age evidence and how to recognise fake identifications, offence to sell to a drunk person.

The Licensing Authority also support Northumbria Police's objection requesting that a CCTV condition should as a minimum be attached to a premises licence if it were to be granted in order to prevent the licensing objective of the prevention of crime and disorder from being undermined.

The Authority reserves the right to make further submissions in accordance with the relevant legislation and regulations.

Please provide as much information as possible to support the representation
