**Please state the ground(s) for representation (please read guidance note 1)**

This representation is made in my capacity as Director of Public Health for the Borough of Gateshead.

The Director of Public Health in Gateshead is concerned that the extension of the operating hours at Allerdene News are not in accordance with the promotion of the licensing objectives.

Since 2013 Directors of Public Health have been 'responsible authorities' under the Licensing Act 2003. The role of the Director of Public Health is to help promote the health and wellbeing of the local populations they serve. The Public Health approach to reducing harms arising from alcohol misuse is to encourage and promote responsible drinking and protect young people from related harm. This is an expansive remit that influences a wide range of circumstances, including local licensing arrangements. Similarly, the licensing regime is concerned with the promotion of the licensing objectives, which collectively seek to protect the quality of life for those who live, and work in the vicinity of licensed premises, and those who socialise in licensed premises.

Dear whom it may concern,

I am writing to OBJECT to the licensing application for the above property.

The Allerdene area has suffered from significant ASB in the last year which is only beginning to be tackled by a multi - disciplinary task force and the local community. Sadly this ASB is often caused by alcohol and I am very concerned that this would be a backwards step for the local community.

I am concerned that further availability of alcohol will have a negative affect on vulnerable persons and their families, and this is profiteering from the vulnerable.

In addition the property is adjacent to a local primary school and children's centre with a nursery for pre school children, where a number of vulnerable families attend themselves.

I hope you support the refusal of this application

Regards

Gemma Jones
