Development of 2019-20 OSC Work Programmes

Background

3. Every year each Overview and Scrutiny Committee draws up a work programme based on the Council's policy framework which is then agreed by the Council as part of the policy planning process.
4. The Committee's work programme is a rolling programme which sets the agenda for its quarterly meetings. It is the means by which it can address the interests of the local community, focus on improving services and seek to reduce inequalities in service provision and access to services.

Current Position

5. The process for developing all the OSC work programmes for 2019-20 is now underway and views are currently being sought from councillors' on potential priority issues for inclusion which fall within the remits of the relevant OSCs and support the 5 pledges under the Thrive agenda:-
 - Put people and families at the heart of everything that we do
 - Tackle inequality so people have a fair chance

- Support our communities to support themselves and each other
 - Invest in our economy to provide sustainable opportunities for employment, innovation and growth across the borough.
 - Work together and fight for a better future for Gateshead
6. At this OSC meeting on 17 January 2019 there will be an opportunity for the OSC to comment on / discuss emerging issues for this OSC / put forward additional issues for consideration.

Next Steps

7. Subsequently, in line with usual practice, partner organisations will be consulted on the emerging themes for each OSC for 2019 – 20 with a view to OSCs considering any feedback/ additional suggestions / endorsing their respective work programmes at their March / April 2019 OSC meetings and referring them to Council for agreement.

Recommendations

8. The Committee is asked to:-
- a) Note the provisional work programme for 2018-19;
 - b) Note that further reports on the 2018-19 work programme will be brought to the Committee to identify any additional policy issues which the Committee may be asked to consider.
 - c) Comment on the emerging issues for this OSC's 2019-20 work programme / highlight any additional issues for consideration.
