

STATEMENT OF LICENSING POLICY

Licensing Act 2003

7 January 2016 - 6 January 2021

- Gateshead Transport Strategy & Tyne & Wear Local Transport Plan
 - The Local Government Declaration on Alcohol signed by Gateshead Council in June 2015
- 5.4 The Licensing Authority will seek to achieve integration with relevant strategies and their aims in its decision making.

Human Rights

- 5.5 The Licensing Authority will have particular regard to the following relevant provisions of the European Convention on Human Rights:
- Article 6 that in determination of civil rights and obligations everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law
 - Article 8 that everyone has the right to respect for their home and private life; and
 - Article 1 of the First Protocol that every person is entitled to the peaceful enjoyment of their possessions.

Equality and Diversity

- 5.6 Applicants and licensees should be aware of their obligations under the Equality Act 2010 and the characteristics protected by the legislation which are:
- Age
 - Disability
 - Gender reassignment
 - Marriage and civil partnership
 - Pregnancy and maternity
 - Race
 - Religion and belief
 - Sex; and
 - Sexual orientation
- 5.7 It is expected that responsible licensees will be sensitive to the needs of their varied customer base and prepared to make reasonable adjustments to accommodate those needs.
- 5.8 The Equality Act 2010 also requires the Licensing Authority to have due regard to the need to eliminate discrimination, harassment and victimisation; advance equality of opportunity; and foster good relations between people with different protected characteristics. Each application will be considered with this in mind.

Crime and disorder

- 5.9 Section 17 of the Crime and Disorder Act 1998 introduced a wide range of measures for preventing crime and disorder and imposed a duty on the Council, Northumbria Police and others to consider crime and disorder reduction in the exercise of all their duties. The reduction of crime and disorder is integral to this Council's approach to the Licensing Act.

individuals who cause disturbance, disorder, use drugs or use or threaten violence in and around licensed premises. By acting collectively in excluding such people from a number of premises in the area, this means that the problem is not simply moved from one pub to the next. Pubwatch schemes have been found to be effective tools in tackling anti-social behaviour in many areas where the schemes are well run and there is a significant level of participation by licence holders in the borough. The Gateshead Alcohol Harm Reduction Strategy 2013-2015 recognises the importance of the Pubwatch scheme and envisages it being used to share and develop best practice and as a forum for training.

Regional and national working

- 5.18 The Licensing Authority participates in regional working through the North East Strategic Licensing Group, which is comprised of representatives of each of the twelve North East Licensing Authorities, and forms part of the North East Public Protection Partnership.
- 5.19 The Licensing Authority also works closely with Balance – the North East Alcohol Office, to achieve an integrated approach across the region and with key partners such as the Police.
- 5.20 From the national perspective, representatives of the Licensing Authority participate in the Local Government Association's Licensing Policy Forum, and the Licensing Special Area of Activity for Lawyers in Local Government.

6. General Principles of the Policy

- 6.1 Each application will be determined on its merits having regard to this Policy, Guidance under Section 182 of the Act, the Act itself and supporting Regulations.
- 6.2 The Licensing Authority considers:
 - the effective and responsible management of premises
 - instruction, training and supervision of staff; and
 - the adoption of best practice

to be amongst the most important control measures for the achievement of all the licensing objectives. For this reason, the Licensing Authority will expect these elements to be specifically considered and addressed within an applicant's operating schedule.

- 6.3 Applicants who do not clearly demonstrate how they intend to address these issues in their operating schedules should expect their applications to be objected to, including by the Licensing Authority.
- 6.4 Also, licensees whose practice does not meet this expectation may have their licence reviewed, and as above this may be triggered by the Licensing Authority itself.

- Appropriate instruction, training and supervision of those employed or engaged to secure the safety of premises and patrons
- Adoption of best practice guidance (eg Guide to Fire Precautions in Existing Places of Entertainment and like premises, The Event Safety Guide, Safety in Pubs published by the BBPA, and the Safety Guidance for Street Arts, Carnival, Processions and Large Scale Performances published by Independent Street Arts Network)
- Provision of effective CCTV in and around premises
- Provision of toughened or plastic drinking vessels
- Implementation of crowd management measures
- Proof of regular testing (and certification where appropriate) of procedures, appliances, systems etc pertinent to safety)

Prevention of Public Nuisance

- 7.8 The Licensing Authority interprets 'public nuisance' in its widest sense, and takes it to include such issues as noise, light, odour, litter and anti-social behaviour, where these matters impact on those living, working or otherwise engaged in normal activity in an area.
- 7.9 The Licensing Authority will normally apply stricter conditions, including controls on licensing hours, where licensed premises are in residential areas.
- 7.10 The Licensing Authority will expect to see that applicants have considered the impact that the following factors may have on the potential for public nuisance:
- The location of premises and proximity to residential and other noise sensitive premises
 - The hours of opening, particularly between 23:00 and 07:00 hours
 - The nature of activities to be provided, including whether those activities are of a temporary or permanent nature and whether they are to be held inside or outside premises
 - The design and layout of premises and in particular the presence of noise limiting features
 - The occupancy capacity of the premises
 - The availability of public transport
 - 'wind down period' between the end of the licensable activities and closure of the premises, i.e. allowing patrons to remain in the premises for a period after licensable activities have ceased, so that people do not disperse en masse

- Exclude a licensable activity from the licence or certificate
- Remove the designated premises supervisor
- Suspend the licence or certificate for a period not exceeding three months
- Revoke the licence or certificate.

13.14 The review process is intended to enable the Licensing Authority to take appropriate timely measures to promote the Licensing Objectives in respect of individual premises. A review can take place even if it would be disproportionate to revoke a licence or certificate, as some lesser measure can be taken, as above.

13.15 Also, because the review process is intended to address the future conduct of the licence holder, a review can take place regardless of any other measures that may be open to the interested party or responsible body. For instance, if a licence holder is found to have sold age restricted products to a minor, it is not necessary for a prosecution (or indeed a successful prosecution) to take place in respect of that sale before a review is brought, as the review would consider the steps appropriate to prevent future underage sales.

Summary reviews

13.16 The Police may request a summary review in serious cases of crime and disorder, and in which case within 48 hours of the application the Licensing Authority will consider whether any interim steps are required pending completion of the review process. This may include immediate suspension of the relevant licence.

14. Delegation and Decision Making

14.1 The Council has established a Licensing Committee to administer its functions under the Licensing Act 2003. Powers and functions have also been delegated to Licensing Sub-Committees and officers in order to provide a speedy, efficient and cost effective service to all parties involved in the licensing process.

14.2 Many of the decisions and functions are largely administrative in nature such as the grant of non-contentious applications, including for example those licences and certificates where no representations have been made. These will be delegated to Council officers. All such matters dealt with by officers will be reported for information to the next Licensing Committee meeting.

14.3 Applications where there are relevant representations will be dealt with by the Licensing Committee/Sub-Committee – unless such representations are considered irrelevant, frivolous or vexatious or unless the Licensing Authority, the applicant and everyone who has made representations agrees that a hearing is not necessary (usually after successful mediation).

14.4 The table given below sets out the delegation of decisions and functions of the Licensing Committee, Sub-Committees and officers. The various delegations include delegation to impose appropriate conditions.

14.5 This scheme of delegations is without prejudice to the right of relevant parties to refer an application to a Licensing Sub-Committee or the full Licensing Committee if considered appropriate in the circumstances of any particular case.

- 14.6 Unless there are compelling reasons to the contrary, the Licensing Authority will require the Licensing Committee or any of its sub-committees to meet in public – although Members can retire into private session to consider their decision. A public announcement of the decision will be made at the end of the hearing together with clear, cogent reasons for the decision having due regard to the Human Rights Act 1998, the four licensing objectives and all other legislation.
- 14.7 The Licensing Committee will be made up of 15 members and Sub-Committees of three who will hear any relevant representations from authorised persons, responsible authorities and interested parties in the form of a hearing.
- 14.8 Where a function is delegated to an officer, that officer will be responsible for liaising between the applicant, interested parties and the responsible authorities to ensure that any licence granted is subject to the appropriate conditions. Where objections are made then the officer will once again liaise with the applicant, interested parties and the responsible authorities to see if a 'settlement' is possible to overcome the objections without the need for the matter to go before the Sub-Committee.
- 14.9 The Sub-Committee will determine each case before it on its individual merits. However, in determining the application the Sub-Committee will consider:
- The case and evidence presented by all parties
 - The promotion of the four licensing objectives
 - Guidance issued by Central Government
 - The Licensing Authority's own statement of Licensing Policy
