Please accept this e-mail as an objection to this appointment.

This is the applicant's attempt to circumvent the review process as the change of DPS is not offering any change of circumstances.

It is our belief the prevention of crime and disorder objective will be undermined should this variation be granted.

Kind regards.

## **STATEMENT OF LICENSING POLICY**

**Licensing Act 2003**

**7 January 2016 - 6 January 2021**

- Gateshead Transport Strategy & Tyneside Local Transport Plan
- The Local Government Declaration on Alcohol signed by Gateshead Council in June 2015

5.4 The Licensing Authority will seek to achieve integration with relevant strategies and their aims in its decision making.

#### Human Rights

5.5 The Licensing Authority will have particular regard to the following relevant provisions of the European Convention on Human Rights:

- Article 6 that in determination of civil rights and obligations everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law
- Article 8 that everyone has the right to respect for their home and private life; and
- Article 1 of the First Protocol that every person is entitled to the peaceful enjoyment of their possessions.

#### Equality and Diversity

5.6 Applicants and licensees should be aware of their obligations under the Equality Act 2010 and the characteristics protected by the legislation which are:

- Age
- Disability
- Gender reassignment
- Marriage and civil partnership
- Pregnancy and maternity
- Race
- Religion and belief
- Sex; and
- Sexual orientation

5.7 It is expected that responsible licensees will be sensitive to the needs of their varied customer base and prepared to make reasonable adjustments to accommodate those needs.

5.8 The Equality Act 2010 also requires the Licensing Authority to have due regard to the need to eliminate discrimination, harassment and victimisation; advance equality of opportunity; and foster good relations between people with different protected characteristics. Each application will be considered with this in mind.

#### Crime and disorder

5.9 Section 17 of the Crime and Disorder Act 1998 introduced a wide range of measures for preventing crime and disorder and imposed a duty on the Council, Northumbria Police and others to consider crime and disorder reduction in the exercise of all their duties. The reduction of crime and disorder is integral to this Council's approach to the Licensing Act.

individuals who cause disturbance, disorder, use drugs or use or threaten violence in and around licensed premises. By acting collectively in excluding such people from a number of premises in the area, this means that the problem is not simply moved from one pub to the next. Pubwatch schemes have been found to be effective tools in tackling anti-social behaviour in many areas where the schemes are well run and there is a significant level of participation by licence holders in the borough. The Gateshead Alcohol Harm Reduction Strategy 2013-2015 recognises the importance of the Pubwatch scheme and envisages it being used to share and develop best practice and as a forum for training.

#### Regional and national working

- 5.18 The Licensing Authority participates in regional working through the North East Strategic Licensing Group, which is comprised of representatives of each of the twelve North East Licensing Authorities, and forms part of the North East Public Protection Partnership.
- 5.19 The Licensing Authority also works closely with Balance – the North East Alcohol Office, to achieve an integrated approach across the region and with key partners such as the Police.
- 5.20 From the national perspective, representatives of the Licensing Authority participate in the Local Government Association's Licensing Policy Forum, and the Licensing Special Area of Activity for Lawyers in Local Government.

#### **6. General Principles of the Policy**

- 6.1 Each application will be determined on its merits having regard to this Policy, Guidance under Section 182 of the Act, the Act itself and supporting Regulations.
  - 6.2 The Licensing Authority considers:
    - the effective and responsible management of premises
    - instruction, training and supervision of staff; and
    - the adoption of best practice
- to be amongst the most important control measures for the achievement of all the licensing objectives. For this reason, the Licensing Authority will expect these elements to be specifically considered and addressed within an applicant's operating schedule.
- 6.3 Applicants who do not clearly demonstrate how they intend to address these issues in their operating schedules should expect their applications to be objected to, including by the Licensing Authority.
  - 6.4 Also, licensees whose practice does not meet this expectation may have their licence reviewed, and as above this may be triggered by the Licensing Authority itself.

## 7. Licensing Objectives

- 7.1 Applicants will need to provide evidence to the Licensing Authority that, in respect of each of the four licensing objectives, suitable and sufficient measures, as detailed in their Operating Schedule, will be implemented and maintained, and will be relevant to the individual style and characteristics of their premises and events.

### Prevention of Crime and Disorder

- 7.2 The Licensing Authority will expect to see evidence that the following specific matters that impact on crime and disorder have been addressed in the Operating Schedule of the premises:
- The capability of the person who is in charge to run the premises during trading hours or when Regulated Entertainment is provided to effectively and responsibly manage and supervise the premises, including associated open areas
  - The steps to be taken in the absence of the Designated Premises Supervisor to effectively manage the business.
  - The steps taken or to be taken to ensure that appropriate instruction, training and supervision is given to those employed or engaged in the premises to prevent incidents of crime and disorder
  - The measures taken or to be taken to raise staff awareness and discourage and prevent the use or supply of illegal drugs on the premises
  - The features currently in place or planned for physical security at the premises, such as lighting outside the premises
  - The policies that have been determined in respect of adoption of appropriate existing and future best practice guidance (eg Safer Clubbing, the National Alcohol Harm Reduction Strategy Toolkit, etc)
  - Any arrangements which the licence holder proposes to work in partnership with the Council, police and other traders in establishing a method of co-ordinating closing times to prevent crowds emerging from premises at the same time and to prevent migration between premises with different closing times
  - Any appropriate additional measures taken or to be taken for the prevention of violence or public disorder
- 7.3 The extent to which the above matters need to be addressed will be dependent on the individual style, characteristics and location of the premises, and proposed events and activities. In general however, the Licensing Authority will expect more comprehensive measures to be in place at late night entertainment venues or in premises with a history of crime and disorder issues.
- 7.4 In such premises appropriate additional measures taken or to be taken for the prevention of violence or public disorder may include:

- Provision of effective CCTV both within and around premises
- Employment of SIA licensed door staff
- Provision of toughened or plastic glasses
- Procedures for risk assessing drinks promotions and events such as 'happy hours' for the potential to cause crime and disorder and plans for minimising such risks

7.5 The Licensing Authority will have particular regard to representations from the Police in deciding whether the above issues have been adequately addressed. It will not normally grant an application where representations indicate a potential negative impact on crime and disorder, unless the applicant can demonstrate compelling reasons why the application should be approved in the light of these concerns.

#### Public Safety

7.6 The Licensing Authority will expect to see that applicants have considered the impact that the following factors may have on public safety:

- The occupancy capacity of the premises
- The age, design and layout of the premises, including means of escape in the event of fire
- The nature of the licensable activities to be provided, in particular the sale or supply of alcohol, and/or the provision of music and dancing and including whether those activities are of a temporary or permanent nature
- The hours of operation (differentiating the hours of opening from the hours when licensable activities are provided, if different)
- Customer profile (eg age, disability)
- The use of special effects such as lasers, pyrotechnics, smoke machines, etc

7.7 The following examples of control measures are given to assist applicants who may need to take account of them in their operating schedule, having regard to their particular type of premises and/or activities:

- Suitable and sufficient risk assessments
- Effective and responsible management of the premises
- Provision of a sufficient number of people employed or engaged to secure the safety of the premises and patrons

- What steps will be taken to promote the Licensing Objectives.

10.5 It is recommended that applicants contact responsible authorities when preparing operating schedules to discuss any relevant concerns.

## **11. Designated Premises Supervisor**

11.1 Designated Premises Supervisors have an important role to play in ensuring that the measures to promote the licensing objectives that are set out in an operating schedule are put into practice on a day to day basis.

11.2 Where there is a requirement for premises to have a Designated Premises Supervisor, it is expected that the person will be a key person related to the premises, so that matters arising can be dealt with as quickly as possible.

11.3 It is expected that a Designated Premises Supervisor will have day to day responsibility for running the premises and will be present at the premises at least 50% of the time in a seven day week that the premises are open for the carrying on of licensable activities.

11.4 Where the Designated Premises Supervisor is not available at the premises for whatever reason, the Licensing Authority will expect an individual to be nominated as a point of contact who will have details of where the Designated Premises Supervisor can be contacted.

11.5 Where there are problems associated with the running of a premises that stem from the DPS's performance of that role, they may be removed from the role by the Licensing Sub-Committee.

## **12. Conditions**

12.1 Whilst the Licensing Act sets out the regulatory framework that applies to all licensees, conditions can be added to individual licences to prescribe how the licensable activities are to be carried out having regard to all the relevant individual circumstances.

12.2 There are three types of condition:

- mandatory conditions imposed by the Secretary of State – applicants and licensees are expected to comply with the relevant mandatory conditions that apply to the activities they carry out, and to be aware that these mandatory conditions change from time to time. The Home Office issued guidance in respect of these mandatory conditions in October 2014:

[https://www.gov.uk/government/uploads/system/uploads/attachment\\_data/file/350507/2014-08-29 MC Guidance v1 0.pdf](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/350507/2014-08-29_MC_Guidance_v1_0.pdf).

- conditions imposed voluntarily by the applicant / licensee – these conditions will be consistent with the applicant / licensee's operating schedule, although the wording may be amended to ensure clarity and enforceability. Applicants and licensees should note that in line with this Policy, in certain cases the Licensing Authority will assume unless

Home Office

# **Revised Guidance issued under section 182 of the Licensing Act 2003**

April 2018

# 1. Introduction

## The Licensing Act 2003

- 1.1 The Licensing Act 2003 (referred to in this Guidance as the 2003 Act), its explanatory notes and any statutory instruments made under it may be viewed online at [www.legislation.gov.uk](http://www.legislation.gov.uk). The statutory instruments include regulations setting out the content and format of application forms and notices. The Home Office has responsibility for the 2003 Act. However, the Department for Culture, Media and Sport (DCMS) is responsible for regulated entertainment, for which there is provision in Schedule 1 to the 2003 Act (see Chapter 16).

## Licensing objectives and aims

- 1.2 The legislation provides a clear focus on the promotion of four statutory objectives which must be addressed when licensing functions are undertaken.
- 1.3 The licensing objectives are:
- The prevention of crime and disorder;
  - Public safety;
  - The prevention of public nuisance; and
  - The protection of children from harm.
- 1.4 Each objective is of equal importance. There are no other statutory licensing objectives, so that the promotion of the four objectives is a paramount consideration at all times.
- 1.5 However, the legislation also supports a number of other key aims and purposes. These are vitally important and should be principal aims for everyone involved in licensing work. They include:
- protecting the public and local residents from crime, anti-social behaviour and noise nuisance caused by irresponsible licensed premises;
  - giving the police and licensing authorities the powers they need to effectively manage and police the night-time economy and take action against those premises that are causing problems;
  - recognising the important role which pubs and other licensed premises play in our local communities by minimising the regulatory burden on business, encouraging innovation and supporting responsible premises;
  - providing a regulatory framework for alcohol which reflects the needs of local communities and empowers local authorities to make and enforce decisions about the most appropriate licensing strategies for their local area; and
  - encouraging greater community involvement in licensing decisions and giving local residents the opportunity to have their say regarding licensing decisions that may affect them.

## The guidance

- 1.6 Section 182 of the 2003 Act provides that the Secretary of State must issue and, from time to time, may revise guidance to licensing authorities on the discharge of their functions under the 2003 Act. This revised guidance takes effect as soon as it is published. Where a licence application was made prior to the publication of the revised guidance, it should be processed in accordance with the guidance in effect at the time at which the application was made; the revised guidance does not apply retrospectively. However, all applications received by the licensing authority on or after the date the revised guidance was published should be processed in accordance with the revised guidance.

## Purpose

- 1.7 This Guidance is provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act. It also provides information to magistrates' courts hearing appeals against licensing decisions and has been made widely available for the benefit of those who run licensed premises, their legal advisers and the general public. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.
- 1.8 The police remain key enforcers of licensing law. This Guidance does not bind police officers who, within the parameters of their force orders and the law, remain operationally independent. However, this Guidance is provided to support and assist police officers in interpreting and implementing the 2003 Act in the promotion of the four licensing objectives.

## Legal status

- 1.9 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. This Guidance is therefore binding on all licensing authorities to that extent. However, this Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons. Departure from this Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.
- 1.10 Nothing in this Guidance should be taken as indicating that any requirement of licensing law or any other law may be overridden (including the obligations placed on any public authorities under human rights legislation). This Guidance does not in any way replace the statutory provisions of the 2003 Act or add to its scope and licensing authorities should note that interpretation of the 2003 Act is a matter for the courts. Licensing authorities and others using this Guidance must take their own professional and legal advice about its implementation.

## **Licensing policies**

- 1.11 Section 5 of the 2003 Act requires a licensing authority to determine and publish a statement of its licensing policy at least once every five years. The policy must be published before it carries out any licensing functions under the 2003 Act.
- 1.12 However, determining and publishing a statement of its policy is a licensing function and as such the authority must have regard to this Guidance when taking this step. A licensing authority may depart from its own policy if the individual circumstances of any case merit such a decision in the interests of the promotion of the licensing objectives. But once again, it is important that it should be able to give full reasons for departing from its published statement of licensing policy. Where revisions to this Guidance are issued by the Secretary of State, there may be a period of time when the licensing policy statement is inconsistent with the Guidance (for example, during any consultation by the licensing authority). In these circumstances, the licensing authority should have regard, and give appropriate weight, to this Guidance and its own existing licensing policy statement.

## **Licensable activities**

- 1.13 For the purposes of the 2003 Act, the following are licensable activities:
- The sale by retail of alcohol;
  - The supply of alcohol by or on behalf of a club to, or to the order of, a member of the club;
  - The provision of regulated entertainment; and
  - The provision of late night refreshment.

Further explanation of these terms is provided in Chapter 3.

## **Authorisations or permissions**

- 1.14 The 2003 Act provides for four different types of authorisation or permission, as follows:
- Premises licence – to use premises for licensable activities.
  - Club premises certificate – to allow a qualifying club to engage in qualifying club activities as set out in Section 1 of the Act.
  - Temporary event notice – to carry out licensable activities at a temporary event.
  - Personal licence – to sell or authorise the sale of alcohol from premises in respect of which there is a premises licence.

## **General principles**

- 1.15 If an application for a premises licence or club premises certificate has been made lawfully and there have been no representations from responsible authorities or other persons, the licensing authority must grant the application, subject only to conditions that are consistent with the operating schedule and relevant mandatory conditions. It is recommended that licence applicants contact responsible authorities when preparing their operating schedules.

## **Licence conditions – general principles**

1.16 Conditions on a premises licence or club premises certificate are important in setting the parameters within which premises can lawfully operate. The use of wording such as "must", "shall" and "will" is encouraged. Licence conditions:

- must be appropriate for the promotion of the licensing objectives;
- must be precise and enforceable;
- must be unambiguous and clear in what they intend to achieve;
- should not duplicate other statutory requirements or other duties or responsibilities placed on the employer by other legislation;
- must be tailored to the individual type, location and characteristics of the premises and events concerned;
- should not be standardised and may be unlawful when it cannot be demonstrated that they are appropriate for the promotion of the licensing objectives in an individual case;
- should not replicate offences set out in the 2003 Act or other legislation;
- should be proportionate, justifiable and be capable of being met;
- cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff, but may impact on the behaviour of customers in the immediate vicinity of the premises or as they enter or leave; and
- should be written in a prescriptive format.

## **Each application on its own merits**

1.17 Each application must be considered on its own merits and in accordance with the licensing authority's statement of licensing policy; for example, if the application falls within the scope of a cumulative impact policy. Conditions attached to licences and certificates must be tailored to the individual type, location and characteristics of the premises and events concerned. This is essential to avoid the imposition of disproportionate and overly burdensome conditions on premises where there is no need for such conditions. Standardised conditions should be avoided and indeed may be unlawful where they cannot be shown to be appropriate for the promotion of the licensing objectives in an individual case.

## **Additional guidance**

1.18 From time to time, the Home Office may issue additional supporting guidance to licensing authorities and other persons on the Gov.uk website. This supporting guidance is good practice guidance and should be viewed as indicative and subject to change. Such supporting guidance will broadly reflect but will not be part of the statutory guidance issued by the Secretary of State under section 182 of the 2003 Act. Licensing authorities may wish to refer to, but are under no statutory duty to have regard to such supporting guidance issued by the Home Office.

## Other relevant legislation

1.19 While licence conditions should not duplicate other statutory provisions, licensing authorities and licensees should be mindful of requirements and responsibilities placed on them by other legislation. Legislation which may be relevant includes:

- The Gambling Act 2005
- The Environmental Protection Act 1990
- The Noise Act 1996
- The Clean Neighbourhoods and Environmental Act 2005
- The Regulatory Reform (Fire Safety) Order 2005
- The Health and Safety at Work etc. Act 1974
- The Equality Act 2010
- The Immigration Act 2016
- Regulators' Code under the Legislative and Regulatory Reform Act 2006

## 2. The licensing objectives

### Crime and disorder

- 2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).
- 2.2 In the exercise of their functions, licensing authorities should seek to co-operate with the Security Industry Authority ("SIA") as far as possible and consider adding relevant conditions to licences where appropriate. The SIA also plays an important role in preventing crime and disorder by ensuring that door supervisors are properly licensed and, in partnership with police and other agencies, that security companies are not being used as fronts for serious and organised criminal activity. This may include making specific enquiries or visiting premises through intelligence led operations in conjunction with the police, local authorities and other partner agencies. Similarly, the provision of requirements for door supervision may be appropriate to ensure that people who are drunk, drug dealers or people carrying firearms do not enter the premises and ensuring that the police are kept informed.
- 2.3 Conditions should be targeted on deterrence and preventing crime and disorder including the prevention of illegal working in licensed premises (see paragraph 10.10). For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.
- 2.4 The inclusion of radio links and ring-round phone systems should be considered an appropriate condition for public houses, bars and nightclubs operating in city and town centre leisure areas with a high density of licensed premises. These systems allow managers of licensed premises to communicate instantly with the police and facilitate a rapid response to any disorder which may be endangering the customers and staff on the premises.
- 2.5 Conditions relating to the management competency of designated premises supervisors should not normally be attached to premises licences. It will normally be the responsibility of the premises licence holder as an employer, and not the licensing authority, to ensure that the managers appointed at the premises are competent and appropriately trained. The designated premises supervisor is the key person who will usually be responsible for the day to day management of the premises by the premises licence holder, including the prevention of disorder. A condition of this kind may only be justified as appropriate in rare circumstances where it can be demonstrated that, in the circumstances associated with particular premises, poor management competency could give rise to issues of crime and disorder and public safety.

- 2.6 The prevention of crime includes the prevention of immigration crime including the prevention of illegal working in licensed premises. Licensing authorities should work with Home Office Immigration Enforcement, as well as the police, in respect of these matters. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.

## **Public safety**

- 2.7 Licence holders have a responsibility to ensure the safety of those using their premises, as a part of their duties under the 2003 Act. This concerns the safety of people using the relevant premises rather than public health which is addressed in other legislation. Physical safety includes the prevention of accidents and injuries and other immediate harms that can result from alcohol consumption such as unconsciousness or alcohol poisoning. Conditions relating to public safety may also promote the crime and disorder objective as noted above. There will of course be occasions when a public safety condition could incidentally benefit a person's health more generally, but it should not be the purpose of the condition as this would be outside the licensing authority's powers (be *ultra vires*) under the 2003 Act. Conditions should not be imposed on a premises licence or club premises certificate which relate to cleanliness or hygiene.
- 2.8 A number of matters should be considered in relation to public safety. These may include:
- Fire safety;
  - Ensuring appropriate access for emergency services such as ambulances;
  - Good communication with local authorities and emergency services, for example communications networks with the police and signing up for local incident alerts (see paragraph 2.4 above);
  - Ensuring the presence of trained first aiders on the premises and appropriate first aid kits;
  - Ensuring the safety of people when leaving the premises (for example, through the provision of information on late-night transportation);
  - Ensuring appropriate and frequent waste disposal, particularly of glass bottles;
  - Ensuring appropriate limits on the maximum capacity of the premises (see paragraphs 2.12-2.13, and Chapter 10; and
  - Considering the use of CCTV in and around the premises (as noted in paragraph 2.3 above, this may also assist with promoting the crime and disorder objective).
- 2.9 The measures that are appropriate to promote public safety will vary between premises and the matters listed above may not apply in all cases. As set out in Chapter 8 (8.38-8.46), applicants should consider when making their application which steps it is appropriate to take to promote the public safety objective and demonstrate how they achieve that.

## **Licensing qualifications**

- 4.27 Details of licensing qualifications accredited by the Secretary of State will be notified to licensing authorities and the details may be viewed on the GOV.UK website.

## **Relevant licensing authority**

- 4.28 Personal licences remain valid unless surrendered, suspended, revoked or declared forfeit by the courts. For applications made on or after 6 April 2017, a licence granted to someone subject to immigration control will lapse if the individual ceases to be entitled to work in the UK. The requirement to renew a personal licence was removed from the Licensing Act 2003 by the Deregulation Act 2015. While personal licences issued before the 2015 Act have expiry dates, these licences will remain valid and such dates no longer have an effect. Once granted, the licensing authority which issued the licence remains the "relevant licensing authority" for it and its holder, even though the individual may move out of the area or take employment elsewhere. The personal licence itself will give details of the issuing licensing authority.

## **Changes in name or address**

- 4.29 The holder of the licence is required by the 2003 Act to notify the licensing authority of any changes to a holder's name or address. These changes should be recorded by the licensing authority. The holder is also under a duty to notify any convictions for relevant offences to the licensing authority and the courts are similarly required to inform the licensing authority of such convictions, whether or not they have ordered the suspension or forfeiture of the licence. The holder must also notify the licensing authority of any conviction for a foreign offence. These measures ensure that a single record will be held of the holder's history in terms of licensing matters.
- 4.30 The 2003 Act authorises the provision and receipt of such personal information to such agencies for the purposes of that Act.

## **Specification of new designated premises supervisors**

- 4.31 Every premises licence that authorises the sale of alcohol must specify a DPS. This will normally be the person who has been given day to day responsibility for running the premises by the premises licence holder. The only exception is for community premises which have successfully made an application to remove the usual mandatory conditions set out in the 2003 Act. Guidance on such applications is set out in paragraphs 4.52 to 4.65 of this Guidance.
- 4.32 The Government considers it essential that police officers, fire officers or officers of the licensing authority can identify immediately the DPS so that any problems can be dealt with swiftly. For this reason, the name of the DPS and contact details must be specified on the premises licence and this must be held at the premises and displayed in summary form. The DPS' personal address should not be included in the summary form in order to protect their privacy.
- 4.33 To specify a DPS, the premises licence holder should normally submit an application to the licensing authority (which may include an application for immediate interim effect) with:
- a form of consent signed by the individual concerned to show that they consent to taking on this responsible role, and

- the relevant part (Part A) of the licence.
- 4.34 If they are applying in writing, they must also notify the police of the application. If the application is made electronically via GOV.UK or the licensing authority's own electronic facility, the licensing authority must notify the police no later than the first working day after the application is given.
- 4.35 The premises licence holder must notify the existing DPS (if there is one) of the application on the same day as the application is given to the licensing authority. This requirement applies regardless of whether the application was given by means of an electronic facility, or by some other means.
- 4.36 The general guidance in Chapter 8 on electronic applications applies in respect of new applications.
- 4.37 Only one DPS may be specified in a single premises licence, but a DPS may supervise two or more premises as long as the DPS is able to ensure that the licensing objectives are properly promoted and that each premises complies with the 2003 Act and conditions on the premises licence.
- 4.38 Where there are frequent changes of DPS, the premises licence holder may submit the form in advance specifying the date when the new individual will be in post and the change will take effect.

### **Police objections to new designated premises supervisors**

- 4.39 The police may object to the designation of a new DPS where, in exceptional circumstances, they believe that the appointment would undermine the crime prevention objective. The police can object where, for example, a DPS is first specified in relation to particular premises and the specification of that DPS in relation to the particular premises gives rise to exceptional concerns. For example, where a personal licence holder has been allowed by the courts to retain their licence despite convictions for selling alcohol to children (a relevant offence) and then transfers into premises known for underage drinking.
- 4.40 Where the police do object, the licensing authority must arrange for a hearing at which the issue can be considered and both parties can put forward their arguments. The 2003 Act provides that the applicant may apply for the individual to take up post as DPS immediately and, in such cases, the issue would be whether the individual should be removed from this post. The licensing authority considering the matter must restrict its consideration to the issue of crime and disorder and give comprehensive reasons for its decision. Either party would be entitled to appeal if their argument is rejected.
- 4.41 The portability of personal licences between premises is an important concept under the 2003 Act. It is expected that police objections would arise in only genuinely exceptional circumstances. If a licensing authority believes that the police are routinely objecting to the designation of new premises supervisors on grounds which are not exceptional, they should raise the matter with the chief officer of police as a matter of urgency.
