LICENSED ACTIVITIES

The Woodsmans Arms Variation Application

Operating Schedule

An application has been made in order to vary the premises licence in accordance with submitted plans. The plans essentially create two operations within the business, one geared at weddings/functions (edged in green), and the other to remain unchanged as a food led pub. The wedding venue will also have the facilities to conduct civil ceremonies. Both will trade under the name of The Woodsman's Arms. This represents the culmination of a half million pound investment in the premises, which the operators will hope creates 25 new jobs.

An extension of 30 minutes will apply to the function suite (edged in green) for all licensable activities and opening times. This will have the effect of bringing the hours on all other days in line with those permitted on a Friday and Saturday. The hours at in the rest of the premises will remain unchanged. The applicant also seeks to add the exhibition of Film in line with the opening times for the premises.

The two trading environments will have their own respective entrances and toilet facilities. They will also both have their own outside seating areas, distinct and separate from each other.

Part of the application is also to replace the existing conditions attached to the premises licence at Annex 2 The new conditions, which are to replace all non-mandatory conditions on the licence. For the avoidance of doubt, since the current licence is a little contradictory, the premises will be licensed for on and off sales

Such recordings shall be retained on the hard drive or otherwise may be put on disc or otherwise (for a period of 28 days), and shall be supplied to the Licensing Authority or Police Officer on request.

 6. An operation policy shall be implemented in respect of the management of the outside area to include staffing, noise monitoring, noise reduction/mitigation, dispersal and general management of the area on a daily basis.
