Provide a general description of the premises

Continued from previous page...

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off- supplies you must include a description of where the place will be and its proximity to the premises.

The premises are a convenience store located on Gateshead High Street. While a store has been at the location for many years, until August 2019 it was leased and run by a different operator but it has recently been handed back over to the owner, the previous operator has now no involved in the business in any capacity. Having found the shop to be extremely run down, the owner has invested approximately £25,000-£30,000 and internally it has new flooring, ceiling, all new fixture and fittings and the business is now a revitalised convenience store with deli.

The store where alcohol is to be sold sells general groceries, household goods, tobacco, confectionary and provides a number of services including Payzone for local people to pay bills and Western Union for money transfers. It also stocks Ben & Jerry's ice cream which is delivered from the premises. The deli is known as Shake & Cake and has a very extensive menu of sandwiches, pies, pastries and sweet treats (the deli menu can be seen on Facebook).

The premises licence is for alcohol to be sold as part of the convenience offering to customers, it is not the focus of the business but cannot be viable without it as customers expect to be able to buy all their goods in one go.

The store hours are 0900 to 2300 Monday to Sunday and from 2300 only deliveries of alcohol will take place.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Conditions relating to the delivery of alcohol:

1. The store will be closed from 2300 hours and only deliveries of alcohol will take place from that time.
2. The Premises Licence Holder will ensure that deliveries will not be made to public places such as parks, roadsides or landmarks. Delivery can only be made to a home or business address given at the time of the order.
3. Any person responsible for delivering alcohol will be fully trained in all elements of Challenge 25 and acceptable identification. They will also be trained in the process for refusing a delivery in the event of a person who cannot prove their age or who appears intoxicated.
4. The Premises Licence Holder will ensure that the person making the delivery makes the appropriate ID checks at the door and requests an acceptable form of photographic ID proving that that person taking the delivery is 18 years of age or over in line with the Challenge 25 requirements. Should there be any doubt the delivery of the alcohol will be refused.
5. Any refusal to deliver alcohol to a customer will be documented and details retained for a minimum of one year.

b) The prevention of crime and disorder

6. Staff will be trained before making sales of alcohol in their responsibilities under the Licensing Act 2003. Refresher training will take place at 6 monthly intervals. All training will be documented and made available to the authorities on reasonable request.

CCTV images will be provided to the police and other responsible authorities as soon as practicable and in any case within 48 hours of a request for such images, subject of the provisions of the DPA.

c) Public safety

The register will be made available for inspection by the Police and other responsible authority

d) The prevention of public nuisance

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
