Partner Feedback**Health and Wellbeing Board**

The Board was supportive of the Review topic but suggested widening the focus to include the cost to the health and care system as well as individuals and the issue of fuel poverty. It was also considered important to link this work with any work carried out / to be carried out via Communities and Place OSC.

Gateshead Newcastle CCG

Support this topic as it brings the broader determinants of health into focus.

Gateshead Housing Company

Have indicated that they would wish to contribute to this Review.

The Housing Company has advised that two measures are likely to impact on this Review and lead to changes in the housing market

- Pay to stay – mandatory for council tenants in Gateshead when households are earning more than £30,000 – charged market rents
- Ending of secure tenancies replaced by fixed term tenancies

Case Study

Delayed Transfers of Care and Hospital Discharges (to focus on the joint work being progressed by the Council and Health Partners to avoid delayed discharges, specific challenges and examples of good practice / to be linked to evaluation of new model for Adult Social Care).

Performance Issue – (below 2015-16 target of 88.7% and decline in performance compared to the same period last year).

Partner Feedback**Gateshead Newcastle CCG**

Support this topic as it supports the CCG’s joint work on integrating care and the CCG’s BCF work. There is also a performance issue which the CCG needs to address and the case study will provide added focus.

Gateshead Housing Company

It has been suggested that it might be helpful to include information relating to a pilot that has been running between Health (NHS NTW), ASC and Housing relating to mental health which it is considered feeds into the work in relation to preventing delayed discharges and is classed as an example of good practice.

Corporate Resources OSC

It is proposed that this OSC focus on

Two Case Studies within its 2016-17 work programme

Partner Feedback

Department for Work and Pensions / Job Centre Plus – support both the areas identified for case studies and would be happy to participate / contribute in relation to the case study on Universal Credit.

Gateshead Housing Company

Suggest that the focus of the case study on Universal Credit is widened to cover other aspects of welfare reform.

Additional government Welfare Reform announcements are likely to impact further on tenants and reduce ability to sustain or maintain their tenancies including:-

- The Benefit Cap:- By 2017 it is expected that the maximum amount of out-of-work benefits working age families can receive will be £20,000, (£13,400 for single adults with no children).
- The social housing sector size criteria (bedroom tax). Currently 2300 tenants (almost 12%) of tenants have their housing benefit reduced by the social housing sector size measure.
- Local Housing Allowance Proposals affecting supported and sheltered housing.
- Local Housing Allowance Proposals for new tenants under 35. This will apply to tenancies signed after 1 April 2016, with housing benefit entitlement changing from 1 April 2018 onwards.

Health and Wellbeing Board

The Board was supportive of the themes and noted that implementation of welfare reform / universal credit can have important impacts on residents health and wellbeing.

Case Study 2 – Workforce Strategy (examine progress being made in preparing the workforce to meet the changing role of the Council and adapt working practices / meet the demands of the business / next steps)
