Please provide as much information as possible to support the application (please read guidance note 3)

There was a change to the premises licence in August 2020 in which a new licence holder and DPS was appointed at the premises.

Trading standards received intelligence that children were able to purchase alcohol from Jenny Halls Off Licence and were consuming it in nearby Saltwell Park. I am also aware that police had recently seized large quantities of alcohol from youths found in possession of it in Saltwell Park and they told police that they had obtained the alcohol from Jenny Halls.

On Friday 7th May 2021, a test purchase operation was carried out using a 15-year-old child volunteer. At around 1840hrs she was handed money by me and asked to attempt to purchase alcohol at the shop known at Jenny Halls.

The child entered the shop and a short time later returned with two bottles of VK blue. She had been asked for ID by the seller, but she was unable to provide any. They then asked her if she had a photo of her ID on her phone. She did not. She was then asked her date of birth and she gave this as XX September 2002.

There were two males behind the counter who both appeared to agree that she was able to purchase the alcohol.

Officers returned to the shop and discussed the sale with the seller of the alcohol who I now know to be Amolak BHAKER. Amolak confirmed with officers he was the son of the owner and he had worked at the premises for two weeks. He claimed to have received training but there was no written record of the training. He claimed that he had served the volunteer to get the queue down. He also confirmed he had asked the volunteer for ID but she couldn't show him any.

There appears to be an increase in youth antisocial behaviour in Saltwell park especially fuelled by alcohol. It is not acceptable for licence holders to ask for ID on mobile phones when this ID can be tampered with or even fake.

This premises licence has very few conditions currently on the licence and at the very least committee should be seeking to add conditions in relation to CCTV, a Challenge 25 policy, Staff Training in relation to underage sales and proxy sales and encourage the use of a refusals ledger.
