

**TITLE OF REPORT: Nomination of a Local Authority School Governor**

**REPORT OF: Caroline O'Neill, Strategic Director, Children, Adults and Families**

---

### **Purpose of the Report**

1. Cabinet is asked to nominate a local authority governor to a school seeking to retain their local authority governor in accordance with The School Governance (Constitution) (England) Regulations 2012.

### **Background**

2. The Regulations require all governing bodies to adopt a model for their size and membership. The Regulations prescribe which categories of governor must be represented and what the level of representation is for each. The local authority's nomination is subject to the approval of the governing body. If approved, the nominee is appointed by the governing body.

### **Proposal**

3. It is proposed that Cabinet approves the nomination to a school as shown in Appendix 1.

### **Recommendations**

4. It is recommended that Cabinet approves the nomination for the appointment of a local authority governor for the term of office set out in Appendix 1.

For the following reason:

- To ensure the School Governing Body has full membership.

### Policy Context

1. In accordance with The School Governance (Constitution) (England) Regulations 2012, local authorities can nominate any eligible person as a Local Authority governor. Statutory guidance encourages local authorities to appoint high calibre governors with skills appropriate to the school's governance needs, who will uphold the school's ethos, and to nominate candidates irrespective of political affiliation or preferences. A person is disqualified as a local authority governor if they are eligible to be a staff governor at the same school.

### Background

2. As above.

### Consultation

3. The Cabinet Member for Children and Young People has been consulted.

### Alternative Options

4. The alternative option would be to make no nomination/appointment to the vacancies, leaving governing bodies under strength and less likely to demonstrate the correct configuration.

### Implications of Recommended Option
