## APPENDIX 5

## PRUDENTIAL INDICATORS 2020/21

The 2020/21 Prudential Indicators were agreed by Council on 27 February 2020 (column 1). This is now compared with the 2020/21 actual outturn position as at the 31 March 2021 (column 2).

Certain Treasury Management indicators must be monitored throughout the year on a regular basis in order to avoid breaching agreed limits. The capital expenditure and capital financing requirement indicators have been revised in line with the revised budget and none of the other approved Prudential Indicators set for 2020/21 have been breached.

## Estimated Incremental Impact on Council Tax and Housing Rents

This indicator is set at the time the Council's budget is set. Therefore, there is no requirement for this Indicator to be monitored on a quarterly or annual basis.

## Adherence to CIPFA code on Treasury Management

The Council has adopted the CIPFA Code of Practice for Treasury Management in the Public Services.
