

**STATEMENT OF LICENSING POLICY**  
**Licensing Act 2003**  
**7 January 2021 - 6 January 2026**

## **Crime and anti-social behaviour in Gateshead**

- 3.7 The number of recorded crimes across the Borough that were linked to alcohol has increased year on year, with 1,386 alcohol-related crimes recorded in 2014/15 which was an 11% increase from 2013/14, compared to a 7% increase in all crime.
- 3.8 More than half the alcohol-related crimes in the Borough in 2014/15 were violence against the person, with significant increases particularly in the number of assaults. It is notable that whilst incidents of the most serious violence are still relatively infrequent, they have more than doubled in the last year. There have also been significant increases in the numbers of alcohol-related sexual offences and burglaries in the Borough in that time.
- 3.9 Temporal profiles show that almost half of all alcohol-related crimes in the Borough are reported on Friday late evenings / Saturday early mornings, Saturday late evenings / Sunday early mornings and (to a lesser extent) Sunday late evenings /Monday early mornings.
- 3.10 Data provided by Northumbria Police enables the Council to identify the most vulnerable locations throughout the Borough in terms of alcohol-related crimes, and to track trends over time. Information about these areas is contained in 'Local Licensing Guidance' documents which are described in further detail below, and will be available from the Council's website and upon request.

## **4. Legal Context**

- 4.1 This Statement of Licensing Policy has been prepared in accordance with the provisions of the Act and the Guidance issued by the Home Office under Section 182 of the Act.
- 4.2 The Licensing Authority is responsible for:
- the licensing of licensable activities under the Licensing Act 2003 (The Act)
  - ensuring that those who are authorised under the Act comply with the requirements; and
  - ensuring that only those who are duly authorised to carry out licensable activities do so.
- 4.3 This document sets out the Licensing Authority's policy as to how it will fulfil its obligations and achieve its strategic aims in this respect.
- 4.4 This Policy should be read in conjunction with the Act itself, the Home Office Guidance, and the other policies and guidance that are referred to in this document.
- 4.5 This Licensing Authority regards each of the Licensing Objective to be of equal importance.
- 4.6 This document sets out the policies the Licensing Authority will generally apply to promote the Licensing Objectives when making decisions under the

Act, and when addressing non-compliance with the Act itself or any authorisations issued under the Act. The Licensing Authority will consider deviating from the policy on a case by case basis, where it believes it to be appropriate and proportionate in all the relevant circumstances.

## **5. Integration with other legislation, policies and guidance**

5.1 Anyone who is or who seeks to be authorised under the Act to carry out licensable activities in the Borough of Gateshead should be aware of the other legislation, policies and guidance that may apply to their business. Failure to comply with other legislation and/or regulatory regimes can indicate that a licensee is irresponsible, which may call into question their ability to adequately promote the Licensing Objectives.

5.2 Although from the perspective of the business proprietor, there may be an element of crossover between licensing and other regimes, they are separate and are treated as such by the Council.

5.3 Applicants and licensees need to be aware of and have regard to:

- Gateshead Strategic Partnership's Community Strategy – Vision 2030
- the Gateshead Local Plan
- Substance Misuse Strategy
- Culture Strategy
- Gateshead Transport Strategy & Tyne & Wear Local Transport Plan
- The Local Government Declaration on Alcohol signed by Gateshead Council in June 2015

5.4 The Licensing Authority will seek to achieve integration with relevant strategies and their aims in its decision making.

## **Human Rights**

5.5 The Licensing Authority will have particular regard to the following relevant provisions of the European Convention on Human Rights:

- Article 6 that in determination of civil rights and obligations everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law
- Article 8 that everyone has the right to respect for their home and private life; and
- Article 1 of the First Protocol that every person is entitled to the peaceful enjoyment of their possessions.

## **Equality and Diversity**

5.6 Applicants and licensees should be aware of their obligations under the Equality Act 2010 and the characteristics protected by the legislation which are:

- Age
- Disability
- Gender reassignment
- Marriage and civil partnership
- Pregnancy and maternity
- Race

- Religion and belief
- Sex; and
- Sexual orientation

5.7 It is expected that responsible licensees will be sensitive to the needs of their varied customer base and prepared to make reasonable adjustments to accommodate those needs.

5.8 The Equality Act 2010 also requires the Licensing Authority to have due regard to the need to eliminate discrimination, harassment and victimisation; advance equality of opportunity; and foster good relations between people with different protected characteristics. Each application will be considered with this in mind.

### **Crime and disorder**

5.9 Section 17 of the Crime and Disorder Act 1998 introduced a wide range of measures for preventing crime and disorder and imposed a duty on the Council, Northumbria Police and others to consider crime and disorder reduction in the exercise of all their duties. The reduction of crime and disorder is integral to this Council's approach to the Licensing Act.

### **Data protection**

5.10 The Licensing Authority will process personal information in accordance with the Data Protection Act 1998. The personal details provided by applicants will be held on a database and where the law allows, may be shared with other departments within the Council to update details they hold. The Licensing Authority may also be required to disclose personal information to third parties (such as Police, Department for Work and Pensions or Audit Commission for the National Fraud Initiative) for the purposes of preventing or detecting crime or apprehending or prosecuting offenders.

### **Local Government Declaration on Alcohol**

5.11 Gateshead Council has signed the Local Government Declaration on Alcohol, and has committed to:

- Promoting the introduction of greater regulations around the price, promotion and availability of alcohol
- Calling for changes to the Licensing Act in favour of local authorities and communities, to enable greater control on the number, density and availability of alcohol according to local requirements
- Putting public health and community safety at the forefront of public policymaking about alcohol
- Making best use of existing licensing powers to ensure effective management of the night-time economy; and
- Raising awareness of the harm caused by alcohol to individuals and our communities.

5.12 It is recognised that the regime under the Licensing Act is only one part of the framework needed to achieve these aims; that in terms of alcohol the Act only

regulates its sale and supply – not its consumption; and that the regime cannot be utilised where the Council's aims do not pertain to the objectives set out in the Act.

- 5.13 However the licensing regime has proven to be an effective tool in Gateshead for the control of price, promotion and availability of alcohol:

#### **Price**

The sale / supply of cheap alcohol can lead to its over-consumption which in turn can undermine the licensing objectives particularly in respect of the prevention of crime and disorder and the protection of children from harm. This Licensing Authority has imposed and will continue to impose minimum unit price requirements where appropriate to promote the licensing objectives, and as part of a range of measures to tackle identified concerns. For instance, alcohol can be 'cheap' not only due to its price but also due to its strength. Where appropriate this Licensing Authority will also impose conditions to control the sale of certain types of product, such as 'super strength' ciders, spirits, etc.

#### **Promotion**

The Government has imposed certain mandatory conditions to prohibit irresponsible drinks promotions where the consumption is intended to take place on the premises. This Licensing Authority will impose further conditions on licences where it is appropriate and proportionate to do so, which will depend on the individual circumstances. For instance, conditions can be imposed to prevent promotions which are aimed at young people particularly in the vicinity of schools and other locations attended by children, and promotion of potentially dangerous alcoholic products such as cocktails containing liquid nitrogen. Gateshead Licensing Authority's expectations with respect to the promotion of alcohol in off licensed premises are set out in 8.18 below.

#### **Place**

There are a range of measures that can assist in controlling the availability of alcohol in defined localities where there is appropriate evidence to support the restriction.

These include:

- Cumulative impact policies
- Night time levy
- Early morning restriction orders

The evidential basis to consider implementing any of these measures in Gateshead has not yet been put forward, however if evidence supports their implementation in the future this will be duly considered.

#### **Public Space Protection Orders**

- 5.14 The following locations have been designated as alcohol exclusion areas:
- Gateshead
  - at all of the Metro stations in the borough
  - Birtley

- Whickham
- Ryton
- Winlaton

5.15 This means that within the exclusion zones it is an offence to refuse to comply with the reasonable request of a Police Constable or authorised officer to stop consuming alcohol or to hand over alcohol for confiscation. Licensed premises (and their curtilages) are excluded from the scope of the Orders while licensable activities are authorised to take place.

### **Social Responsibility**

5.16 The Portman Group has produced a code of practice on the naming, packaging and promotion of alcoholic drinks. Licensees that sell or supply alcohol are expected to have regard to the code of practice as amended from time to time.

[http://www.portmangroup.org.uk/docs/default-source/code-ofpractice/7609\\_por02\\_code\\_of\\_practice\\_final.pdf7](http://www.portmangroup.org.uk/docs/default-source/code-ofpractice/7609_por02_code_of_practice_final.pdf7)

### **Pubwatch**

5.17 A Pubwatch scheme has been in existence in the Borough for some time. It is led by Northumbria Police, and provides a forum for licensees to gain support from the Police, the Council and other licensees to tackle the problems associated with individuals who cause disturbance, disorder, use drugs or use or threaten violence in and around licensed premises. By acting collectively in excluding such people from a number of premises in the area, this means that the problem is not simply moved from one pub to the next. Pubwatch schemes have been found to be effective tools in tackling anti-social behaviour in many areas where the schemes are well run and there is a significant level of participation by licence holders in the borough. The Gateshead Alcohol Harm Reduction Strategy 2013-2015 recognises the importance of the Pubwatch scheme and envisages it being used to share and develop best practice and as a forum for training.

### **Regional and national working**

5.18 The Licensing Authority participates in regional working through the North East Strategic Licensing Group, which is comprised of representatives of each of the twelve North East Licensing Authorities, and forms part of the North East Public Protection Partnership.

5.19 The Licensing Authority also works closely with Balance – the North East Alcohol Office, to achieve an integrated approach across the region and with key partners such as the Police.

5.20 From the national perspective, representatives of the Licensing Authority participate in the Local Government Association's Licensing Policy Forum, and the Licensing Special Area of Activity for Lawyers in Local Government.

## **6. General Principles of the Policy**

6.1 Each application will be determined on its merits having regard to this Policy, Guidance under Section 182 of the Act, the Act itself and supporting Regulations.

6.2 The Licensing Authority considers:

- the effective and responsible management of premises
- instruction, training and supervision of staff; and
- the adoption of best practice

to be amongst the most important control measures for the achievement of all the licensing objectives. For this reason, the Licensing Authority will expect these elements to be specifically considered and addressed within an applicant's operating schedule.

6.3 Applicants who do not clearly demonstrate how they intend to address these issues in their operating schedules should expect their applications to be objected to, including by the Licensing Authority.

6.4 Also, licensees whose practice does not meet this expectation may have their licence reviewed, and as above this may be triggered by the Licensing Authority itself.

## **7. Licensing Objectives**

7.1 Applicants will need to provide evidence to the Licensing Authority that, in respect of each of the four licensing objectives, suitable and sufficient measures, as detailed in their Operating Schedule, will be implemented and maintained, and will be relevant to the individual style and characteristics of their premises and events.

### **Prevention of Crime and Disorder**

7.2 The Licensing Authority will expect to see evidence that the following specific matters that impact on crime and disorder have been addressed in the Operating Schedule of the premises:

- The capability of the person who is in charge to run the premises during trading hours or when Regulated Entertainment is provided to effectively and responsibly manage and supervise the premises, including associated open areas
- The steps to be taken in the absence of the Designated Premises Supervisor to effectively manage the business.
- The steps taken or to be taken to ensure that appropriate instruction, training and supervision is given to those employed or engaged in the premises to prevent incidents of crime and disorder
- The measures taken or to be taken to raise staff awareness and discourage and prevent the use or supply of illegal drugs on the premises
- The features currently in place or planned for physical security at the premises, such as lighting outside the premise

- The policies that have been determined in respect of adoption of appropriate existing and future best practice guidance (eg Safer Clubbing, the National Alcohol Harm Reduction Strategy Toolkit, etc)
- Any arrangements which the licence holder proposes to work in partnership with the Council, police and other traders in establishing a method of coordinating closing times to prevent crowds emerging from premises at the same time and to prevent migration between premises with different closing times
- Any appropriate additional measures taken or to be taken for the prevention of violence or public disorder

7.3 The extent to which the above matters need to be addressed will be dependent on the individual style, characteristics and location of the premises, and proposed events and activities. In general however, the Licensing Authority will expect more comprehensive measures to be in place at late night entertainment venues or in premises with a history of crime and disorder issues.

7.4 In such premises appropriate additional measures taken or to be taken for the prevention of violence or public disorder may include:

- Provision of effective CCTV both within and around premises
- Employment of SIA licensed door staff
- Provision of toughened or plastic glasses
- Procedures for risk assessing drinks promotions and events such as 'happy hours' for the potential to cause crime and disorder and plans for minimising such risks

7.5 The Licensing Authority will have particular regard to representations from the Police in deciding whether the above issues have been adequately addressed. It will not normally grant an application where representations indicate a potential negative impact on crime and disorder, unless the applicant can demonstrate compelling reasons why the application should be approved in the light of these concerns.

### **Public Safety**

7.6 The Licensing Authority will expect to see that applicants have considered the impact that the following factors may have on public safety:

- The occupancy capacity of the premises
- The age, design and layout of the premises, including means of escape in the event of fire
- The nature of the licensable activities to be provided, in particular the sale or supply of alcohol, and/or the provision of music and dancing and including whether those activities are of a temporary or permanent nature
- The hours of operation (differentiating the hours of opening from the hours when licensable activities are provided, if different)
- Customer profile (eg age, disability)
- The use of special effects such as lasers, pyrotechnics, smoke machines, etc

7.7 The following examples of control measures are given to assist applicants who may need to take account of them in their operating schedule, having regard to their particular type of premises and/or activities:

- Suitable and sufficient risk assessments
- Effective and responsible management of the premises
- Provision of a sufficient number of people employed or engaged to secure the safety of the premises and patrons
- Appropriate instruction, training and supervision of those employed or engaged to secure the safety of premises and patrons
- Adoption of best practice guidance (eg Guide to Fire Precautions in Existing Places of Entertainment and like premises, The Event Safety Guide, Safety in Pubs published by the BBPA, and the Safety Guidance for Street Arts, Carnival, Processions and Large Scale Performances published by Independent Street Arts Network)
- Provision of effective CCTV in and around premises
- Provision of toughened or plastic drinking vessels
- Implementation of crowd management measures
- Proof of regular testing (and certification where appropriate) of procedures, appliances, systems etc pertinent to safety)

### **Prevention of Public Nuisance**

7.8 The Licensing Authority interprets 'public nuisance' in its widest sense, and takes it to include such issues as noise, light, odour, litter and anti-social behaviour, where these matters impact on those living, working or otherwise engaged in normal activity in an area.

7.9 The Licensing Authority will normally apply stricter conditions, including controls on licensing hours, where licensed premises are in residential areas.

7.10 The Licensing Authority will expect to see that applicants have considered the impact that the following factors may have on the potential for public nuisance:

- The location of premises and proximity to residential and other noise sensitive premises
- The hours of opening, particularly between 23:00 and 07:00 hours
- The nature of activities to be provided, including whether those activities are of a temporary or permanent nature and whether they are to be held inside or outside premises
- The design and layout of premises and in particular the presence of noise limiting features
- The occupancy capacity of the premises
- The availability of public transport
- 'wind down period' between the end of the licensable activities and closure of the premises, i.e. allowing patrons to remain in the premises for a period after licensable activities have ceased, so that people do not disperse en masse last admission time

7.11 The following examples of control measures are given to assist applicants who may need to take account of them in their operating schedule, having regard to their particular type of premises and/or activities:

- effective and responsible management of the premises
- appropriate instruction, training and supervision of those employed or engaged to prevent incidents of public nuisance eg to ensure customers leave quietly
- operating hours for all or parts (eg garden areas) of premises, including such matters as deliveries
- adoption of best practice guidance (eg Good Practice Guide on the Control of Noise from Pubs and Clubs, produced by the Institute of Acoustics, Licensed Property: Noise, published by BBPA)
- installation of soundproofing, air conditioning, acoustic lobbies and sound limitation devices
- management of people, including staff, and traffic (and resulting queues)
- liaison with public transport providers
- siting of external lighting including security lighting
- management arrangements for collection and disposal of litter
- effective ventilation systems to prevent nuisance from odour

### **Alcohol sales**

8.17 It is expected that applicants will set out in their operating schedule the measures they will take to ensure that a written record is kept of all the names and addresses of persons who are authorised to sell or supply alcohol at all times, and that the written record is made available to Police and/or Council officers immediately upon request.

### **Outside areas**

8.24 Where premises include an outside area it is expected that the operating schedule will set out how the applicant will address:

- The provision of appropriate bins and other receptacles for litter generated by patrons
- Measures to reduce the amount of noise generated by patrons, particularly late at night. This may include door supervision, closure of outside areas after a particular time, restricting re-admission to the premises after a particular time, etc
- Provision and placement of appropriate street furniture to prevent persons spilling out' onto public highway in the vicinity of the premises
- Provision of CCTV covering entrances and exits, external areas, and surrounding public highways

### **Operating Schedules**

10.1 Operating schedules should set out the licensable activities that are intended to be carried out and how it is intended that this happens. Operating schedules should be sufficiently detailed and clear for interested parties and

responsible authorities to understand how the applicant or licensee will promote the licensing objectives.

- 10.2 When considering the promotion of the licensing objectives, applicants and licensees should have due regard to the context of the locality that they seek to operate in, and be mindful of any particular concerns that relate to that locality.
- 10.3 For instance, applicants and licensees are expected to have regard to any Local Licensing Guidance in respect of the locality they propose to serve.
- 10.4 Applicants are expected to ensure that their operating schedule enables the Licensing Authority, responsible authorities and interested parties to understand:
- What licensable activities are intended to be carried out
  - When licensable activities will be carried out – i.e. between what hours, on what days and at what times of year
  - When the premises will be open to the public for non-licensed activities
  - Whether alcohol is intended to be sold for consumption off the premises (including where it will be delivered to customers)
  - (Where the sale or supply of alcohol is intended at premises with a Premises Licence) who the Designated Premises Supervisor will be and what his / her address is
  - What steps will be taken to promote the Licensing Objectives.
- 10.5 It is recommended that applicants contact responsible authorities when preparing operating schedules to discuss any relevant concerns.

## **12. Conditions**

- 12.1 Whilst the Licensing Act sets out the regulatory framework that applies to all licensees, conditions can be added to individual licences to prescribe how the licensable activities are to be carried out having regard to all the relevant individual circumstances.
- 12.2 There are three types of condition:
- mandatory conditions imposed by the Secretary of State – applicants and licensees are expected to comply with the relevant mandatory conditions that apply to the activities they carry out, and to be aware that these mandatory conditions change from time to time. The Home Office issued guidance in respect of these mandatory conditions in October 2014: [https://www.gov.uk/government/uploads/system/uploads/attachment\\_data/file/350507/2014-08-29\\_MC\\_Guidance\\_v1\\_0.pdf](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/350507/2014-08-29_MC_Guidance_v1_0.pdf).
  - conditions imposed voluntarily by the applicant / licensee – these conditions will be consistent with the applicant / licensee's operating schedule, although the wording may be amended to ensure clarity and enforceability. Applicants and licensees should note that in line with this Policy, in certain cases the Licensing Authority will assume unless Informed otherwise that applicants are volunteering conditions. For

instance, as above where an applicant does not indicate an intention to provide adult entertainment by ticking box 'N' on their application form, it will be assumed that they are volunteering a condition not to provide adult entertainment at the premises; and

- conditions imposed at a hearing – the Licensing Sub-Committee may impose conditions on a licence where it considers it appropriate to do so. Any such conditions will be appropriate to the promotion of the licensing objectives and proportionate to the problems that the Sub-Committee find in relation to the premises.

12.3 The Licensing Authority does not impose 'standard' conditions on licences, but there are certain factors that most premises that carry out certain licensable activities should take into account. A pool of model conditions is set out in Appendix 1, which applicants should consider when preparing their operating schedule.

#### **14. Delegation and Decision Making**

14.1 The Council has established a Licensing Committee to administer its functions under the Licensing Act 2003. Powers and functions have also been delegated to Licensing Sub-Committees and officers in order to provide a speedy, efficient and cost effective service to all parties involved in the licensing process.

14.2 Many of the decisions and functions are largely administrative in nature such as the grant of non-contentious applications, including for example those licences and certificates where no representations have been made. These will be delegated to Council officers. All such matters dealt with by officers will be reported for information to the next Licensing Committee meeting.

14.3 Applications where there are relevant representations will be dealt with by the Licensing Committee/Sub-Committee – unless such representations are considered irrelevant, frivolous or vexatious or unless the Licensing Authority, the applicant and everyone who has made representations agrees that a hearing is not necessary (usually after successful mediation).

14.4 The table given below sets out the delegation of decisions and functions of the Licensing Committee, Sub-Committees and officers. The various delegations include delegation to impose appropriate conditions.

14.5 This scheme of delegations is without prejudice to the right of relevant parties to refer an application to a Licensing Sub-Committee or the full Licensing Committee if considered appropriate in the circumstances of any particular case.

14.6 Unless there are compelling reasons to the contrary, the Licensing Authority will require the Licensing Committee or any of its sub-committees to meet in public – although Members can retire into private session to consider their decision. A public announcement of the decision will be made at the end of the hearing together with clear, cogent reasons for the decision having due

regard to the Human Rights Act 1998, the four licensing objectives and all other legislation.

- 14.7 The Licensing Committee will be made up of 15 members and Sub Committees of three who will hear any relevant representations from authorised persons, responsible authorities and interested parties in the form of a hearing.
- 14.8 Where a function is delegated to an officer, that officer will be responsible for liaising between the applicant, interested parties and the responsible authorities to ensure that any licence granted is subject to the appropriate conditions. Where objections are made then the officer will once again liaise with the applicant, interested parties and the responsible authorities to see if a 'settlement' is possible to overcome the objections without the need for the matter to go before the Sub-Committee.
- 14.9 The Sub-Committee will determine each case before it on its individual merits. However, in determining the application the Sub-Committee will consider:
- The case and evidence presented by all parties
  - The promotion of the four licensing objectives
  - Guidance issued by Central Government
  - The Licensing Authority's own statement of Licensing Policy
- 14.10 Delegation of functions:
