That permission be GRANTED subject to the following condition(s) and that the Strategic Director of Communities and Environment be authorised to add, vary, amend and delete the planning conditions as necessary:

1

The development shall be carried out in complete accordance with the approved plan(s) as detailed below -

20021 210	Site Location Plan
20021 200 Rev E	Existing Proposed Site Plan
20021 203 Rev A	Proposed Floor Plans
20021 205	Proposed Second Floor Plans
20021 206	Proposed Elevations

Any material change to the approved plans will require a formal planning application to vary this condition and any non-material change to the plans will require the submission of details and the agreement in writing by the Local Planning Authority prior to any non-material change being made.

2

The development to which this permission relates must be commenced not later

than 3 years from the date of this permission.

3

The development hereby approved shall be carried out in accordance with the mitigation measures detailed in section 4.11 of the Bat and Bird Risk Assessment prepared by BSG Ecology dated 24 Feb 2021.

4

All external works and ancillary operations in connection with the construction of the development, including deliveries to the site, shall be carried out only between 0800 hours and 1800 hours on Mondays to Saturdays and at no time on Sundays, Bank Holidays or Public Holidays, unless otherwise approved in writing by the Local Planning Authority.

5

Notwithstanding the submitted plans and application form, no replacement / new windows, doors and rooflights shall be installed in the building until details of the replacement / new windows, doors and rooflights (including scaled drawings, design, dimensions and materials) have been submitted to and approved in writing by the Local Planning Authority.

6

The replacement / new windows, doors and rooflights shall be provided in accordance with the details approved at condition 5.

7

No residential apartments shall be occupied until a surface water flood risk and mitigation report (which includes a survey of the property to ensure that potential flood water entry points are investigated and the resilience of the property to surface water flooding is considered and where necessary suitable mitigation measures proposed) has been submitted to and approved in writing by the Local Planning Authority.

8

The surface water flood risk mitigation measures approved at condition 7 shall be provided in accordance with the approved details prior to any of the ground floor residential apartments being occupied.

9

Prior to any works being undertaken on the boundary walls either side of the existing vehicle access off Quarry Row, a fully detailed scheme for the boundary treatment either side of and across the widened vehicle access as shown on proposed site plan 20021 200E shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall include details of the type, position, design, dimensions and materials of the boundary treatment.

10

The widened vehicle access and associated boundary treatment along Quarry Row shall be provided in accordance with the details approved at condition 9 prior to any of the residential apartments being occupied.

11

Notwithstanding the submitted details, prior to any of the residential apartments being occupied a detailed scheme for the provision of cycle parking facilities at the site (including number, location, specification and details of the fully secure and weather proof lockers) shall be submitted to and approved in writing by the Local Planning Authority.

12

The cycle parking provision approved under condition 11 shall be provided on site in accordance with the approved details prior to any of the residential apartments being occupied and thereafter retained.

13

No residential apartments hereby approved shall be occupied until a Travel Plan has been submitted to and approved in writing by the Local Planning Authority. The Travel Plan shall include :

- a) An assessment of the site, including the transport links to the site, on-site facilities, any transport issues and problems, barriers to non-car use and possible improvements to encourage walking, cycling and bus use.
- b) Clearly defined objectives, targets and indicators.
- c) Details of proposed measures.
- d) Appointment of a travel plan co-ordinator and their allocated budget.
- e) Detailed timetable for implementing measures.
- f) A programme of continuous review of the approved details of the Travel Plan and the implementation of any approved changes to the plan.

Evidence of the implementation of the approved Travel Plan over a minimum period of 12 months shall be submitted to and approved in writing by the Local Planning Authority prior to formally discharging the condition. At all times thereafter, the Travel Plan shall be implemented in accordance with the approved details or any changes made under the review process.
