GATESHEAD COUNCIL STRATEGIC RISK REGISTER

Strategic risks are events that could impact upon the Council's ability to achieve the objectives of the corporate plan and the longer term objectives of Vision 2030. They include significant events that could impact upon on the infrastructure and efficient operation of the Council.

The Council Plan 2012-2017 will focus on the following priorities:

- 1 Meeting the needs of Gateshead residents and reducing inequality.
- 2 Delivering our long term strategy, Vision 2030.
- 3 Delivering our ambition of sustainable economic growth and well being.
- 4 Focusing on our 'have to do', statutory functions (strategic, democratic, safety).

		The March 2014 budget identified that resources to the local government budget were to be reduced from £16.6bn in 2013/14 to £13.8bn in 2014/15 and £12.1bn in 2015/16. The Chancellor also indicated that further cuts to public servcies of around £25bn were to be expected and these were likely to include additional					Effective financial and business planning process in place. 		The two main changes in relation to housing are the following;					3) 30 year HRA business plan	Strategic Director, Corporate Resources				1 '	Strategic Director, Corporate Resources
		Housing benefit will be paid (from the Department of Work and Pensions) directly to the tenant (as part of the new Universal Credit payment) and not to the Council as is currently the case. Universal Credit is a key feature of Welfare Reform and is a single payment for people looking for work on a low income. All payments of rents will be made by the tenant to the Council and any recovery of rent arrears in relation to tenants on housing benefit will be the responsibility of the Council. The scheme goes live nationally from October 2013 for all new claimants and is expected to be fully implemented by 2017. A Universal Credit 'Pathfinder' programme will take place in Tameside, Oldham, Wigan and Warrington from 1 April 2013 and the findings will be used to make changes (where necessary) to the new scheme. For information, currently 13,763 (69%) of Gateshead Council tenants claim Housing Benefit. Housing benefits claimants living in the social rented sector (which includes local authority tenants) will receive less housing benefit from the Department of Work and Pensions from 1 April 2013 if they are under occupying a Council house (i.e. deemed to have more bedrooms than they need). The changes from 1 April 2013 are for tenants of working age only (those over state pension credit age are not affected). The cut will be a fixed percentage of the housing benefit eligible rent and will be set at a reduction of 14% for one extra bedroom or 25% for two or more extra bedrooms.										as priorty theme under the Gateshead Volunteering	Service Director, Culture, Communities and Volunteering

20 Risk of data breaches by staff, in relation to unauthorised disclosures of electronic, and paper based data and, unencrypted file transfers. this causes a risk to the Council's reputation and as well as a potential fine of up to £500,000 per data breach can lead to claims for damages from those affected.	The Council has an information security policy which clearly sets out responsibilities of staff in relation to data.	Strategic Director, Corporate Services and Governance	4	2	RED 8	The Council has a number of security measures in place to ensure that the 7th data protection principle can be met, however all data breaches so far have been down to staff not following our own policies and procedures. Risk of legal challenge arising from the Council's decision making processes examples of which are: Challenges to procurement processes; Allegations of ultra vires decisions; Allegations of inadequate consultations; Allegations that the Council has had insufficient regard to it's legal duties e.g. under equalities legislation; and Claims brought in employment tribunals.	The Council makes a myriad of decisions which can be challenged by those who are not happy with the impacts of such decisions. This takes on increasing prominence during difficult financial times when the Council may have to make decisions about reduction of cessation of services, reductions in staff and difficult or complicated procurement decisions. Getting decisions wrong can be costly in both financial and reputational terms.	Director, Corporate Services and Governance	3	3	RED 9	There are a range of controls in place including; Maintaining a properly resourced, experienced and trained legal and procurement workforce; Comprehensive quality assurance processes within legal for identifying risk; Cabinet and Council reports checked by legal officers; Training for officers and councillors on powers and probity in decision making; Access to expert advice from barristers and external solicitors if required. Risk of Implementation of the Gateshead Volunteers Plan, and acheivement of the 4 main aims including: 1 Enable Everyone to make a recognised contribution to their community and become the volunteering capital of England, 2 Deliver economic growth and wellbeing, 3 volunteering activity adds value to local service provision, enabling neighbourhoods to have services that would not be otherwise provided and enhancing core public services, 4 increase formal volunteering from 18% to 25% by 2015, increased informal volunteering from 34% to 40% by 2017 overall 20,000 new volunteers.	The plan sets out the outcomes, deliverables, priniciples, functions, resources and structures, and prorities and next steps. The Council is centralising all volunteering opportunities to enable a "one door" approach to all Gateshead Volunteers, which currently does not exist. Through the implementation of the plan monitoring techniques will also enable a relaistic overview of volunteer statistics within Gateshead. The implementation of the plan will improve and increase volunteering opportunities, improve publicity and marketing of opportunities, measure and evaluate and co-ordinate and support volunteering.
