Reason for Minor Update**Condition Updated**

Further to the recommendation set out in Paragraph 7.0 of the main report, Officers recommend that condition 52 is updated to:

Notwithstanding the details on the submitted plans, final details of secure cycle parking for each phase of development, comprising at least 42 bicycles across the entire site for use by visitors within external areas, and secure and weatherproof parking for at least 40 long stay staff bicycles across the entire site, together with locker and shower facilities, shall be submitted to and approved in writing by the Local Planning Authority prior to the first use of the phase of the development to which they relate.

This is to ensure the wording of this conditions reflects the phased nature of the development.
