Please state the ground(s) for representation (please read guidance note 1)

This representation is made in my capacity as Director of Public Health for the Borough of Gateshead.

The Director of Public Health in Gateshead objects to this licence as it is not felt that selling alcohol from a takeaway establishment would support the promotion of the licensing objectives specifically the prevention of crime and disorder, and the protection of children from harm

Since 2013 Directors of Public Health have been 'responsible authorities' under the Licensing Act 2003. The role of the Director of Public Health is to help promote the health and wellbeing of the local populations they serve. The Public Health approach to reducing harms arising from alcohol misuse is to encourage and promote responsible drinking and protect young people from related harm. This is an expansive remit that influences a wide range of circumstances, including local licensing arrangements. Similarly, the licensing regime is concerned with the promotion of the licensing objectives, which collectively seek to protect the quality of life for those who live, and work in the vicinity of licensed premises, and those who socialise in licensed premises.

When reviewing this licence application, I have considered Gateshead Council's statement of licensing policy which states:

Takeaways 8.23

The Licensing Authority will generally not permit the sale of alcohol from 'takeaway' premises that are licensed for late night refreshment, due to the inherent potential for late night alcohol fuelled crime, disorder and anti-social behaviour and the difficulties of addressing such behaviour where the consumption of the alcohol and associated behaviour takes place away from the premises themselves, often in residential areas. Applicants seeking approval to sell alcohol from 'takeaway' premises will need to clearly demonstrate how they will ensure that their activities will not lead to such problems.

[Microsoft Word - LICENSING POLICY 2021 - 2026](#)

There is little detail within the licence application to provide any assurance of how the potential problems will be overcome, and because of this I have concerns that the licensing objectives will not be promoted.

I have concerns that the proposed model, as it stands, will encourage the perception that consuming alcohol alongside food on the streets of Gateshead is allowed, when in fact there is a Public Space Protection Order in place which prevents this.

Please provide as much information as possible to support the representation
