CAPITAL PROGRAMME AND PRUDENTIAL INDICATORS 2016/17 – THIRD QUARTER REVIEW

Mike Barker, Acting Chief Executive

EXECUTIVE SUMMARY

1. The purpose of this report is to inform of the latest position on the 2016/17 capital programme and Prudential Indicators at the end of the third quarter to 31 December 2016. The report also informs of reasons for the variances from the approved programme and details of the proposed financing of the capital programme. The report also considers the impact of CIPFA's Prudential Code on the capital programme and the monitoring of performance against the statutory Prudential Indicators.
2. The original budget for the capital programme for 2016/17, as agreed by Council on 23 February 2016, totalled £71.069m, this was then revised to £73.346m as part of the second quarter review. The third quarter review now projects the year-end expenditure to be £69.614m.
3. CIPFA's Prudential Code advises the regular monitoring of performance against the prudential indicators which regulate borrowing and investment. Targets and limits for the prudential indicators for 2016/17 were agreed by Council in 23 February 2016. Borrowing and investment levels have remained within the limits set by Council.
4. The Cabinet has considered the facts and issues arising from the report including alternative options and took all relevant advice before formulating their recommendation.
